**Offensive Materials Statement:** Materials located in UNI ScholarWorks come from a broad range of sources and time periods. Some of these materials may contain offensive stereotypes, ideas, visuals, or language.

# MEET THE OHAUS WHIZ KIDS

Introducing the whiz kids of today's high tech classroom, the state of the art Ohaus Port-O-Gram® Super C and Galaxy™ balances.

Each captures students' attention in a flash with instant mistakeproof digital results. Both are built for speed, precision and durability under the most rigorous classroom conditions. Each offers more advanced features for the money than any other around.

*Take the Super C*—for a compact and portable balance, sized to work when and where you need it, and with 3 models from which to choose. For instance, with a 500 gram capacity and .1 gram readability, this one Super C easily replaces a shelf full of mechanical balances.

*Take the Galaxy™ balance*—for fast precise readings with greater sensitivity and 6 models from which to choose. Unbeatable for chemistry labs, or any science where high capacity and ultra fine readability are the requirements.

*Take both*—both Ohaus® balances feature Automatic Calibration, Automatic Full Capacity Tare, Variable Integration, a full range of defeatable modes and an RS232 Bi-Directional Interface. Each is American-made and serviced and comes with a full One Year Warranty.

Zap your whiz kids with one from Ohaus. An electronic Port-O-Gram® Super C or Galaxy™ balance.

Send for more information or call toll free 800-672-7722 today.
