University of Northern Iowa
Cedar Falls, Iowa 50613

The clues for this crossword puzzle are all common names of spring wild flowers. In order to complete the puzzle it will be necessary to use part of the scientific name of the spring flower. As is indicated in each case, you will need to use either the genus, species or the abbreviation for the authority. (e.g. Showy Lady's-slipper Orchid = *Cypripedium reginae* Walt.) Periods after the abbreviation are not included in the puzzle. All names used in this puzzle may be found in the *Guide to the Vascular Flora of Illinois* by Robert H. Mohlenbrock published in 1975 by Southern Illinois University Press, Carbondale, Illinois.
