THE IOWA SCIENCE TEACHERS JOURNAL

The Iowa Science Teachers Journal is co-sponsored by the Iowa Academy of Science and the University of Northern Iowa. The journal is mailed by the University of Northern Iowa Extension Service and is published tri-annually. The journal is dedicated to the improvement of science teaching and to the stimulation of interest in scientific studies.

SUBSCRIPTION

For subscriptions, circulation data, additional copies and change of address, write the Managing Editor, ISTJ, Iowa Academy of Science, P. O. Box 868, Cedar Falls, Iowa 50613. Single copies may be obtained for $1.25; a year's subscription is $4.00. Any secondary science teacher in Iowa may obtain a subscription free of charge if a request is mailed to the Managing Editor; all such requests must be made on school stationery.

PUBLICATION POLICY

Publications will be received from all individuals interested in science education at any academic level. Preferential treatment will be given to Academy members and to papers with topics of special scientific and educational interest to science educators in Iowa.

All non-solicited manuscripts submitted to the editor will be reviewed by two authorities in the area concerned. All manuscripts must be type-written, double-spaced on one side of a sheet and submitted in duplicate. Every attempt will be made to publish papers within a year after approval for publication. News items will be published promptly. Publication deadlines are April, September and December.

For information concerning news items, announcements or articles, contact A. C. Haman, Editor, Iowa Science Teachers Journal, Department of Biology, University of Northern Iowa, Cedar Falls, Iowa 50614.

Responsibility

Experiments, laboratory exercises, lecture demonstrations and other descriptions of the use of chemicals, apparatus and instruments are presented in this journal as illustrative and directed at qualified teachers. Although every effort is made to ensure and encourage safe practices and safe use of chemicals, ISTJ cannot assume responsibility for uses made of its published materials. All those teachers planning to use materials from our pages should make choices and develop procedures for laboratory and classroom safety in accordance with local needs and situations.
## Contents

**Is School Science an Endangered Species?**
Jack Gerlovich and Thomas Budnik ........................................ 3

**The Atoms Family – or – Ionic Man**
James Novotony ................................................................. 21

**Osmosis: A Different Approach**
Dennis Sievers ........................................................................ 24

**Diatoms (Part IV): Identification**
James Hungerford .................................................................... 27

**The Role of the Laboratory in High School Physics**
Hank Biers ............................................................................... 29

**Wisconsin Academy STIR Report:**
**A Vascular Flora of Snake Creek Corridor, Wisconsin**
Thomas Eddy ............................................................................ 34

**Relevance in the Science Curriculum**
Marlow Ediger ........................................................................... 37

JOIN NSTA

If you're a science teacher or administrator, NSTA membership provides you with practical classroom teaching materials... professional development programs and conferences... the latest news and articles on science and teaching... and more.

When you join NSTA, you choose the type of membership that will best meet your needs... elementary, secondary, or college. Then you'll enjoy all 19 different NSTA member benefits, including....

- Award winning journals (see below)
- NSTA News-Bulletin/Middle-Junior High Science Bulletin
- Special Member Rates at all NSTA Conventions
- Free Employment Registry Service
- Low Cost Group Insurance Programs
- Distinguished Service Awards designed to recognize innovations in science education

NATIONAL SCIENCE TEACHERS ASSOCIATION
1742 Connecticut Avenue, N.W., Washington, D.C. 20009

☐ Elementary ($25 per yr.) includes Science and Children, 8 issues per year.

☐ Secondary ($28 per yr.) includes The Science Teacher, 9 issues per year.

☐ College ($28 per yr.) includes the Journal of College Science Teaching, 6 issues per year.

☐ Joint College and SCST ($38 per yr.) includes all benefits of NSTA College membership and the Society for College Science Teachers.

☐ Comprehensive Plus ($60 per yr.) includes special publications at no extra cost and subscriptions to all three NSTA journals. (Canadian postage: add $6 per year per NSTA journal.)

☐ Science 82... Special NSTA Rate: $7.50 for optional one-year subscription (10 issues) (Add $6 Canadian postage.) Please pay for NSTA membership and Science 82 with one check. Check enclosed for $ ................. (made payable to NSTA)
