| <b>The Effects of Official Action Taken against Problem Drivers.</b> D. H. Shuster .....                                                                               | 315 |
| <b>A Longitudinal Study of the Interests of Veterinarians.</b><br>Susan I. Ballou, Jonathan E. Alsip, and<br>Thomas E. Hannum .....                                    | 322 |
| <b>Group Desensitization of Test Anxiety.</b> Marianne McManus .....                                                                                                   | 331 |
| <b>Research in Teaching and the Development of a Theroy of Science Teaching.</b> R. P. Tisher .....                                                                    | 338 |
| <b>Inorganic Qualitative Analysis in Freshman Chemistry.</b><br>Theodore S. Prokopov .....                                                                             | 347 |
| <b>The Effect of the Cerium Concentration on the Lattice Parameter of Cubic Cerium Tungsten Bronzes.</b><br>J. J. Tully, G. J. Vogt, and R. J. Reuland .....           | 354 |
| <b>The Effects of Catalytic or Promoter Oxide on the Brin Process,</b> John L. Moriarity, Jr. ....                                                                     | 360 |
| <b>Production of a Linear Temperature Rise in an Electrical Furnace.</b> Virgil L. Banowetz .....                                                                      | 379 |
| <b>Revised Constitution; Iowa Academy of Science, Inc.</b> .....                                                                                                       | 385 |
| <b>Revised By-Laws</b> .....                                                                                                                                           | 387 |
| <b>Restated Articles of Incorporation</b> .....                                                                                                                        | 392 |
| <b>In Memoriam</b> .....                                                                                                                                               | 394 |

## BOARD OF DIRECTORS

|                        |                            |
|------------------------|----------------------------|
| President .....        | T. E. Rogers, Mt. Vernon   |
| Vice-President .....   | H. Hendricks, Mt. Vernon   |
| Secy-Treas. ....       | H. T. Horner, Jr., Ames    |
| Editor .....           | Paul Meglitsch, Des Moines |
| Charles Allegre .....  | Cedar Falls                |
| William Azbell .....   | Waverly                    |
| Richard Bovbjerg ..... | Iowa City                  |
| Arnold Haugen .....    | Ames                       |
| Frank Starr .....      | Waterloo                   |
| Robert Yager .....     | Iowa City                  |
| (One vacancy)          |                            |

## SECTION CHAIRMEN

|                                         |                                |
|-----------------------------------------|--------------------------------|
| Archeology .....                        | Wilfred Logan, Omaha           |
| Botany .....                            | Lawrence Eilers, Cedar Falls   |
| Chemistry, Inorganic and Physical ..... | Ching Woo, Cedar Falls         |
| Chemistry, Organic and Biological ..... | Jeff Keiser, Cedar Rapids      |
| Conservation .....                      | George Knudson, Decorah        |
| Engineering .....                       | W. F. Ames, Iowa City          |
| Geology .....                           | Wayne I. Anderson, Cedar Falls |
| Mathematics .....                       | Elsie Muller, Sioux City       |
| Physics .....                           | Roger Hanson, Cedar Falls      |
| Physiology .....                        | Gordon W. Searle, Iowa City    |
| Psychology .....                        | Thomas E. Hannum, Ames         |
| Science Teaching .....                  | George Chapman, Dubuque        |
| Zoology .....                           | Virgil Dowell, Cedar Falls     |

## SPECIAL COMMITTEES

### LOCAL ARRANGEMENTS

B. F. Graham, Chairman; W. B. Denny, E. R. Mullins, J. P. Morris, G. G. Wubbels.

### EDITORIAL BOARD

P. A. Meglitsch, Editor; K. Cook, W. Coppock, A. Haugen, C. Lindsay, M. Parker, Sr. M. B. Ryder, D. Sherman, S. L. Wilson, R. E. Yager.

### NOMINATING

R. Hulbary, R. Rogers, J. Woods.

### RESOLUTIONS

K. Goellner, D. Millspaugh.

### AUDITING

W. Waltemann, Jr., H. Lyon.
