UNI Science Symposium

The 1980 UNI Science Symposium will be held Nov. 13-14. The symposium will include speakers on various topics related to science and mathematics. Panel discussions with the speakers will also be held. In addition, competitive examinations will be administered to participating high school students for scholarships awarded by the University of Northern Iowa. For further information, contact Dr. Jean Amos, College of Natural Sciences, University of Northern Iowa, Cedar Falls, Iowa 50613.
