London International Youth Fortnight

Applications are invited from science students throughout the world to participate in the 1978 International Youth Science Fortnight, which will take place in London from July 26 through August 9.

The Fortnight is an annual gathering of about 300 students, aged 16 to 22, from Britain and other parts of the world. The participants stay in student hostels, follow a program of scientific lectures, visits and discussions, as well as social events. The cost is \$270 plus transportation.

For further information write to the Council of International Contact, P.O. Box 818, 179-183 Fulham Palace Road, London, W6 8QU, England.

Something Fishy

There are 40 million fishing licenses sold annually in the United States and only 2 million marriage licenses. Which proves one thing. People would rather fish than fight.
