THE IOWA SCIENCE TEACHERS JOURNAL

The Iowa Science Teachers Journal is co-sponsored by the Iowa Academy of Science and the University of Northern Iowa. The journal is mailed by the University of Northern Iowa Extension Service and is published tri-annually. The journal is dedicated to the improvement of science teaching and to the stimulation of interest in scientific studies.

SUBSCRIPTION

For subscriptions, circulation data, additional copies and change of address, contact the Managing Editor, ISTJ, Iowa Academy of Science, University of Northern Iowa, Cedar Falls, Iowa 50613. Single copies may be obtained for $1.25; a year's subscription is $4.00. Any secondary science teacher in Iowa may obtain a subscription free of charge if a request is mailed to the Managing Editor of the journal; all such requests must be made on school stationery.

PUBLICATION POLICY

Publications will be received from all individuals interested in science education at any academic level. Preferential treatment will be given to Academy members and to papers with problems indigenous to the scientific and educational interest of science educators in Iowa.

All non-solicited manuscripts submitted to the editor will be reviewed by two authorities in the area concerned. All manuscripts should be typewritten, double spaced on one side of the paper, and submitted in duplicate. They must reach the editor twelve weeks prior to publication if they are to be considered for a specific issue. Publication deadlines are April, September and December.

For information concerning the submission of news items or articles, contact A. C. Haman, Editor, ISTJ. Department of Biology, University of Northern Iowa, Cedar Falls, Iowa 50613.
CONTENTS

The Iowa Science Teachers Journal Prior to 1976 2
Robert Yager

Holography: Capturing the Third Dimension 7
Michael Timmons

Excellence in Science Teaching Award Program 13
David McCalley

Scientific Bulb Snatching 17
V. G. Devonald

Science Foundations: A Science Program for Non-Science Majors 24
James Shymansky

Iowa-UPSTEP: A Program Overview 28
Vincent Lunetta

Quickies 31
Mike Williams and Elwood Garlock

NEXT ISSUE

New High School Biology Curriculum, Teaching Accountability, Experiments with Corn Seeds, Solar Energy, Genetic Terminology
