Courtesy Announcements

Comments from President Nook [time stamp 00:00:28]

Announced upcoming listening sessions on the Provost's search, as an opportunity to have input regarding the search. This legislative session continues to be a busy one, last week regarding the free speech event that occurred on campus last Fall, and the upcoming budget. Some discussion also emerged with legislators regarding the legislature's perennial assault on academic tenure in the state of Iowa.

Comments from Provost Wohlpart [time stamp 00:05:42]

Clarified that the tenure bill may never make it out of committee. There is also a proposed bill against engagement with the 1619 Project in Iowa public schools, which has also not made it out of the house committee, and there is no similar bill in the Senate. The Provost offered updates and thanks regarding faculty work General Education, Academic Positioning, and the upcoming HLC visit.

Comments from Faculty Chair Petersen [time stamp 00:08:17]

Chair Petersen had no announcements today, deferring her time to the agenda.

Comments from United Faculty President Hawbaker [time stamp 00:08:29]

Provided a brief overview of the state of the current bargaining season with the Board of Regents. She highlighted the bargaining committee's emphasis on strengthening the contract with respect to protections for tenure and for vulnerable or marginalized faculty.

Comments from NISG President Boeding [time stamp 00:10:09]

Encouraged senators to encourage their students to run for NISG offices and to vote in the upcoming election. Also, invited them to have students contact her for further information.

Comments from Senate Chair Burnight [time stamp 00:11:20]

Chair Burnight ceded his announcement time to Past-Chair Mattingly, who announced an initiative for the remainder of the Spring term to examine the issue of senate representation, after the Faculty voted at the Fall Faculty Meeting to delegate that question to the Faculty Senate, and return to the senate by the end of the term with a specific proposal. He invited 4-6 senators to volunteer to serve on an ad-hoc committee to deliberate and decide on a specific proposal.

1416 [Consultation: Academic Positioning Project Management Team](#) [time stamp 00:21:40]

Jennifer Waldron and Jim Kelly, of the Academic Positioning Project Management Team (PMT) provided a detailed update regarding the status of the initiative and the ongoing listening sessions. Approximately 195 faculty have already engaged in these sessions or are currently scheduled to do so. A survey will be conducted when the listening sessions are completed in order to gather input from faculty, which will guide next steps for the initiative. Questions ensued.

MOTION: Elgersma/Hecimovich (15-0-3) *Motion to approve the edits passed.*

Suzanne Riehl, of the University Curriculum Committee, and Patrick Pease described the intent and need for the proposed changes to the Curriculum Handbook, pertaining to requirements for a Bachelor of Science degree on campus. Impacts for faculty are: 1) Bachelor of Science programs will no longer require a cognate; and 2) future Bachelor of Science program proposals must identify which courses count toward the research requirement. Questions ensued.

1418 [Emeritus request for Phil Fass \(Art\)](#) [time stamp 00:47:26]

MOTION: Hall/Makarios (15-0-3) *The request for emeritus status by Phil Fass was approved.*

Chair Burnight highlighted comments from the letter of support provided with the emeritus request.

1419 [GERC update \(Brenda Bass and Ana Kogl\)](#) [time stamp 00:48:46]

Co-chairs Brenda Bass and Ana Kogl provided updates regarding the progress of the General Education committee., resulting from the latest faculty survey. These updates pertained primarily to refinements of definitions for some learning outcomes and structures for certificates to be offered within the General Education program. The committee expressed a hope to have a completed proposal ready for a senate vote before the end of the academic year. Discussion ensued. Senators were encouraged to send additional questions and/or concerns to Chair Burnight to aggregate and submit to the General Education committee, so they could provide answers at the next senate meeting, during which a vote is expected on the guidelines presented during this meeting.

1420 [Consultation: Models for the 2021-2022 Academic Calendar](#) [time stamp 01:12:55]

Patrick Pease led a discussion among senators and others regarding the calendar for Fall 2021. It is noteworthy that this is an extension of calendar experimentation that was begun this year, and that any proposals regarding the academic calendar must be approved by the Board of Regents. Three models were presented (see the spreadsheet at the above link), in which the total number of instructional days, location of observed holidays, and start and end dates were varied.

Senators identified favored models, such that models A (4 senators) and B (9 senators) received support, but no senators favored model C, which included the latest end to the academic year. Five (5) senators abstained from registering a preference. NOTE: A motion to extend the meeting by 15 minutes was offered and passed during this discussion.
