NSTA Bicentennial Essay Award

As part of its Bicentennial Year activities, the National Science Teachers Association is sponsoring a prize competition for papers on the history of science education in the United States.

Essays are to represent original scholarship on the selected aspect of science education or science teaching. Papers are to be within a range of approximately 5,000 to 15,000 words. The top award will be $1,000. Additional awards may be given by the judges.

Deadline for receipt of manuscripts is December 1, 1975. For further information and an entry form, write to Robert L. Silber, Executive Director, National Science Teachers Association, 1742 Connecticut Avenue, N.W., Washington, D.C. 20009.
