THE IOWA SCIENCE TEACHERS JOURNAL

The Iowa Science Teachers Journal is published quarterly by the Iowa Academy of Science for its members and special subscribers. The Division of Extension and University Services at The University of Iowa supervises and financially supports the printing, handling and the mailing. The central theme of the journal is science teaching at all academic levels.

Subscription rates: Single copies, \$1.25; subscription, \$4.00. For subscription, circulation data, additional copies, and changes of address, contact Dr. Robert Hanson, Iowa Academy of Science, University of Northern Iowa, Cedar Falls, Iowa 50613.

Advertising rates: For advertising information contact Doris Simonis, Managing Editor, Science Education Center, The University of Iowa, Iowa City, Iowa 52242.

Publication: Open to all people interested in science education; preferential consideration for Academy members. For information as to policy as well as submission of news items or general articles, contact Dr. Robert Yager, Science Education Center, The University of Iowa, Iowa City, Iowa 52242. All manuscripts should be typewritten, double-spaced on one side of the paper, and submitted in duplicate. They must reach the editor six weeks prior to publication date if they are to be considered for a given issue.
