CASMT CONVENTION A HUGE SUCCESS

During Thanksgiving vacation an Iowa delegation led by Professor Robert Yager, Vice-President and Convention Chairman, and Gerald H. Krockover, Chairman, Junior High Science Section, attended the annual convention of the Central Association of Science and Mathematics Teachers at the Sheraton-Jefferson Hotel in St.

Louis. Featured speakers included Supreme Court Justice William O. Douglas and Alan Shepard of the National Aeronautics and Space Administration. Sectional meetings emphasized the new elementary and secondary science programs. Short courses included the areas of elementary science and also computer-assisted instruction.
