MICROSCOPES—

American Optical and Elgeet
The world's newest and finest teaching microscopes, offering complete lines from junior scopes to the most sophisticated binocular and stereo models. Available in standard vertical or inclined eyepieces. Also featuring the new Elgeet zoom lens **microprojector** with accessory rear screen for small group viewing.

OVERHEAD PROJECTORS

The A. O. Apollo—newest of the economy overhead projectors. Its all metal construction features an oversized fan, corner mounted head post with positive focusing, front to back roll attachment and pencil trough. The A. O. Apollo now makes possible vibration free, quiet and easy projection in economy overheads.

If you haven't seen the new Apollo—be sure you do before you buy your next overhead.
