Proceedings of the Iowa Academy of Science

Reports	19
---------------	----

MEMORIALS

Henry Lane Bruner	83
Lowell Holbrook Chamberlain.....	85
Clyde W. Emmons.....	87
Annie Wilson Flemming.....	89
William Headrick Gemmill.....	91
Thomas J. Maney.....	98
Florence Willey Nichols.....	99
Henry Waldo Norris.....	103
Charles Dana Reed.....	107

ADDRESS OF THE PRESIDENT

Old Wine in New Bottles, Joseph C. Gilman.....	109
--	-----

BOTANY—BACTERIOLOGY

Seasonal development in the grape following frost injury, J. M. Aikman.....	115
An ice-push ridge, W. A. Anderson.....	121
Weed control by means of chemicals, A. L. Bakke.....	123
New Reports of Iowa Fungi II, Horace L. Barnett.....	137
Phenology of mosses in Iowa, Henry S. Conard.....	141
Illustrations of the fleshy fungi of Iowa VIII The Stinkhorns, Joseph C. Gilman.....	147
The Asters of Iowa, Gertrude E. Kellogg.....	153
Fertile green shoots of <i>Equisetum arvensis</i> , G. W. Martin.....	167
A comparison of leaves of <i>Quercus coccinea</i> Muench. and <i>Betula</i> <i>lenta</i> L. from heath bald and mesophytic ravine habitats, Robert C. Miller.....	171
Pollen of Iowa honey, S. M. Pattee.....	175
The progeny of La France, the first hybrid tea, Clark D. Paris and T. J. Maney.....	179
A method of producing stromata in <i>claviceps</i> , Lois Tiffany.....	189
Culturing Myxomycete plasmodia for classroom use, Margaret Barton Timnick	191
Conduction in dicotyledon leaves, Robert B. Wylie.....	195

CHEMISTRY

The use of semimicro apparatus in the first semester of freshman chemistry, Jacob Cornog.....	203
--	-----

The addition of amines to ethylenimine, Zella A. Hicks and George H. Coleman.....207
 Direct photoelectric spectrochemical determination of exchange-able bases of soils, Robert B. Heidel.....211

GEOLOGY

Recent developments in the Wisconsin-Illinois-Iowa lead-zinc district, Allen F. Agnew and Allen V. Heyl, Jr.....225
 Geological notes on the Northern Natural Gas Company well near Oakland, Iowa, S. E. Harris, Jr.....233

MATHEMATICS

On the characterization of the algebra of four fundamental Boolean functions, E. W. Chittenden.....247
 Progress of demoted and promoted students in mathematics at the Iowa State College, Fred Robertson.....249
 On the converse of a certain theorem in analytical geometry, Roscoe Woods257

PHYSICS

A lecture demonstration apparatus for determining the vapor pressure of water, Leo P. Sherman.....259
