CONSTITUTION.

Section I. This organization shall be known as the Iowa Academy of Sciences.

Sec. II. The object of the Academy shall be the encouragement of scientific work in the State of Iowa.

Sec. III. The membership of the Academy shall consist of (1) Fellows, who shall be elected from residents of the State of Iowa actively engaged in scientific work, of (2) Associate members of the State of Iowa interested in the progress of science but not direct contributors to original research, and, (3) Corresponding Fellows, to be elected by vote from original workers in science in other states; also, any Fellow removing to another State from this may be classed as a Corresponding Fellow. Nomination by the council and assent of three-fourths of the Fellows present at any annual meeting shall be necessary to election.

Sec. IV. An entrance fee of three dollars shall be required of each Fellow, and an annual fee of one dollar, due at each annual meeting after his election. Fellows in arrears for two years and failing to respond to notification from the secretary-treasurer shall be dropped from the Academy roll.

Sec. V. (a) The officers of the Academy shall be President, two Vice-Presidents and a Secretary-treasurer, to be elected at the annual meeting. Their duties shall be such as ordinarily devolve upon these officers.

(b) The charter members of the Academy shall constitute the Council, together with such other Fellows as may be elected at an annual meeting of the council by it as members thereof, provided, that at any such election two or more negative votes shall constitute a rejection of the candidate.

(c) The council shall have power to nominate Fellows to elect members of the council, fix time and place of meetings, to select papers for publication in the proceedings, and have control of all meetings not provided for in general session. It may by vote delegate any or all these powers, except the election of members of the council to an executive committee, consisting of the officers and of three other Fellows, to be elected by the council.

Sec. VI. The Academy shall hold an annual meeting in Des Moines during the week that the State Teachers' Association is in session. Other meetings may be called by the council at times and places deemed advisable.

Sec. VII. All papers presented shall be the result of original investigation, but the council may arrange for public lectures or addresses upon scientific subjects.
Sec. VIII. The secretary-treasurer shall each year publish the proceedings of the Academy in pamphlet (octavo) form giving authors' abstract of papers, and, if published elsewhere, a reference to the place and date of publication; also the full text of such papers as may be designated by the council. If published elsewhere the author shall, if practicable, publish in octavo form and deposit separates with the secretary-treasurer, to be permanently preserved for the Academy.

Sec. IX. This constitution may be amended at any annual meeting, by assent of a majority of the Fellows voting and a majority of the council; provided, notice of proposed amendment has been sent to all Fellows at least one month previous to the meeting, and provided that absent Fellows may deposit their votes, sealed, with the secretary-treasurer.
