

W. C. C. 15th 1890.

Gentlemen

I beg leave to ask each of you to
pardon my seeming remissness in fail-
ing to pay my respects to ^{you all} what Des-
Moines to express to you, my sincere
thanks, for admitting me to practice as an
Attorney at Law, before your honorable
Tribunal the inferior Courts of Iowa.

My chief object, in accepting the
invitation, to appear before the Early Law
Makers of Iowa, was to express the ex-
alted regard which I have always en-
tained for the Supreme Court of my State,
because of their learning, impartiality and
sense of justice. I endeavored to make
that announcement in the short address which
I delivered at the last meeting of the Early
Law Makers a session just before leaving
Des Moines & which I wrote here before go-
ing to that City.

To the Honorable Justices of the Supreme Court
of Iowa. Des Moines

Most respectfully,
Your Obedient
Servant
Geo. W. Jones
