Memories fade quickly in the world of sport. Names once well known are forgotten. But in every college there are a few through their loyalty and devotion to athletics assure themselves of a place in the memories of the athletes and fans of that school. Dr. Earl Rath, who died of a heart attack while attending the last Relays, has done this at Iowa State Teachers College.

For more than 30 years he was a familiar figure at home athletic events, and during each football game he worked in the "I" club refreshment stand.

While working on his Ph. D. degree, he participated in experiments which have increased our knowledge of body fatigue. These studies have been helpful to coaches in combating muscular exhaustion in the training of athletes.

A member of the athletic board for many years, he took an active part in the promotion of the Teachers Relays and other athletic events at Iowa Teachers. He sponsored the pep club and the "I" club. Under his leadership these organizations spurred enthusiasm for sport at this college.

It is with a keen sense of loss that we write these few words to honor a man who has contributed so much to the sports program here and who stands out as one of the greatest sports fans ever to be associated with Iowa State Teachers College.
Because 1956 is an Olympic year, interest in track and field is high and added stress is being placed upon excellence in athletics. It is to promote this excellence — not only when interest in the Olympics is high, but every year — that the Teachers Relays are held.

We hope that the keen competition and good sportsmanship typical of the Relays have helped participants in their efforts to achieve excellence in their events.

We are indebted to the colleges, high schools, and the many fine athletes whose participation has made the growth of the Relays possible. We also owe a debt to the coaches and officials who annually assist in the organization and administration of this meet.

On behalf of the faculty and students of Iowa State Teachers College, I wish to welcome to our campus the participants and fans attending the 33rd Annual Relays.

Queen of the 33rd annual Teachers Relays is Barbara Teig. Barbara was chosen to reign over the spring track classic by members of the “I” club.

A kindergarten-primary major, she has been an Old Gold Beauty attendant and a member of the Homecoming queen's court. She sings in the chapel choir, belongs to Delta Delta Phi sorority and IFTA. Barbara was “I” queen for the winter quarter last year. Her home is in Ames.

Attending her today are Ruth Ann Stuchel of Elma, Rosemary Fitzgerald of Mason City, and Glenda Wilson of Grove.

The escorts for the queen and her court are members of the “I” club.
GORDON MEETER, referee of the Relays, has attended the Relays as a coach, starter, or referee every year since 1930. Last year he was honorary referee of the high school divisions.

Formerly football and track coach at West Waterloo, he is now principal of West junior high school in Waterloo.

VETERAN COACHES ARE HONORARY REFEREES

JIM DUTCHER, head football and track coach at Cornell College, is Honorary Referee of the college section of the Iowa Teachers Relays.

Dutcher has coached at Cornell for three years. Under Dutcher, the Cornell track forces have risen from fifth place in the Midwest Conference in his first year to a second place finish in the conference meet last season. His current track team is undefeated in dual meets.

Before coaching at Cornell, he coached at Doane College in Doane, Nebraska for ten years. His teams won the Nebraska College conference championship each of his last three years there.

He also was assistant football coach at South Dakota University for one year.

MART BRANDES, veteran Waverly High School coach, is honorary referee for the high school sections of the Iowa State Teachers Relays.

Brandes, who graduated from Iowa Teachers in 1924, has brought track squads to the Relays since he began coaching at Waverly in 1943. Prior to that he coached at Sac City High School.

In 1944 he was named Iowa high school coach of the year after his Waverly High football team went undefeated. That same year he coached the basketball team to the state championship. As athletic director he now confines his coaching to football and track.

Brandes earned four letters in football at Teachers College on Athletic Director L. L. Mendenhall's teams. Mendenhall rates him as one of the top linemen to play during that period.
G. LESTER DUKE is the starter for today's meet. He has held this position since 1949, and has been connected with the Relays, either as a coach or official for more than 20 years.

As a track coach at Grinnell college, he developed winners of 34 events in Relays competition. He served as athletic director at Grinnell and was Dean of Men there for four years before resigning to accept a position with an insurance firm in 1952.

ART DICKINSON, Relays director, has coached track teams at Iowa State Teachers since 1925. He has developed the Relays into one of the great track classics held in Iowa.

His coaching record at Teachers includes seven North Central Conference championships, nine second places, and one third place finish since TC joined the conference in 1935. In the eight years before joining the North Central Conference, his teams won eight Iowa Conference championships in a row.

One of the nation's outstanding athletic trainers, "Dick" acts as trainer for the football team and coaches the ends.
