1975 PANTHER OUTLOOK

With six of seven lettermen returning, the Panthers find little room for an improvement after posting an impressive 30-6 dual slate and winning the North Central Conference title the seventh time in ten years in 1974.

The only loss is No. 2 singles star Bob Andres who also was half of the No. 2 doubles tandem, but otherwise Coach Pete Mazula finds his squad in tact.

"I look for another highly successful season," says Mazula. "We've looked strong in early drills and I'm impressed with the dedication everyone is showing again this season."
UNI finds all four of its conference singles and three of four members of the two league doubles winners back for another powerful year. Although the lineup looks slightly juggled from 1974, Mazula has placed everyone in spots to make the Panthers the team to beat again this season.

Junior Steve McKinstry has worked himself into the No. 1 singles slot after winning the North Central title at No. 4 last season. Senior co-captain Bob McCartney was No. 1 man in 1974, but looks more comfortable at No. 2 this season.

Derric Iles, the other senior co-captain and sophomore Mark Whiting are battling for No. 3 and 4 duty. Both were conference champs at No. 3 and 6 last season after tallying 29-5 and 31-2 records respectively.

Junior Randy Krejci has No. 5 spot locked up after capturing the league title in this job last spring and boasted the team's best dual record with a 32-2 mark.

Senior letterman Rich Hoewing and freshman Dana Cooke are tangling for No. 6 singles action, although Hoewing's experience could give him the nod.

Doubles teams find McKinstry and Iles back in their familiar No. 1 assignment, with McCartney and Whiting at No. 2. McCartney and the departed Andres won the NCC crown here last season. Krejci and Whiting won the No. 3 doubles crown in 1974 and Krejci is teamed with Hoewing or Cooke this season.

Drake, Iowa State and Luther offer the Panthers their biggest challenges this season, with North Dakota, Augustana and Morningside toughest assignments in the conference, according to Mazula.

"We'll have some good competition from several teams this season," says Mazula, "but our experience will really make us tough to beat. It's hard to make much of an improvement after what we did in 1974, but with the dedicated group we have, I think it's possible."

One thing Mazula hopes to accomplish in 1975 is improving their 20th place tie nationally last season. With the talent he owns, this task seems only a mere formality.

THE COACH

HEAD COACH DR. PETER MAZULA is one coach with an amazing success story behind him which seems virtually impossible to stop.

Beginning his eleventh season as Panther net mentor, the first ten years leave the impression Mazula is a winner. Panther teams have won the North Central league title seven of those years under the personable Mazula. His overall dual record shows an unbelievable 190-56-2 count.

A graduate of Cortland State Teachers College (N.Y.) in 1942 with a degree in health and physical education, Mazula spent three years in the U.S. Coast Guard. He earned an M.A. Degree from Columbia in 1946, receiving his E.D.D. Degree in 1954.

Previous to receiving his doctorate, Mazula taught school for two years (1946-48) at the School of the Ozarks in Missouri. While there he served as Dean of Men, athletic director, basketball and tennis coach, plus teaching science.
Arriving on the UNI scene in 1949, Mazula holds title as Director of Safety in the Department of Teaching at the Malcolm Price Laboratory School. Aside from his coaching status, he is a curricular instructor.

It might seem hard to believe a man leading such an active life could find time for personal interests, but this vibrant 55-year-old busies himself with football, basketball, swimming, baseball and softball officiating, besides participating in tournament tennis.

When asked about his coaching career at UNI, Mazula comments, "I'm really interested in those who want to play tennis. The kids at UNI are dedicated toward success and our year-around facilities make it nice working in this type of tennis program."

Mazula and wife Jeanne have five children; Peter, 21 (a senior at the University of Wisconsin-Madison); Candi, 20 (a sophomore at UNI); Guy, 17; Kevin, 15 and Dierk, 12.

PANTHER PROFILES

COOKE, DANA -- (6-3, 200) Freshman - Davenport. Great potential for UNI with powerful serve, topped by good overhead and net game. Should develop into dynamic singles and doubles contributor. At Central High School, Dana captained the net squad his senior year after earning three letters in the No. 1 singles position. Is accounting major and undecided on future plans. Born

HOEWING, RICHARD -- (6-0, 220) Senior - Keokuk. Steady letterman, Rich uses fine groundstroke ability. Has good speed for size and utilizes smart strategy for serves and lobs. Battles with Cooke at No. 6 singles and membership to No. 3 doubles tandem. Earned letters at Keokuk High in football, baseball and tennis. Filled the No. 1 singles slot and paired on the state district doubles championship team which qualified for the state tournament. Attended Keokuk Junior College from 1970-72. Rich teaches tennis summers and majors in English. Married to the former Jolene Wheeler, she majors in speech pathology at UNI. Rich was born and plans on teaching after graduation this spring.
ILES, DERRIC -- (6-0, 170) Senior - Cedar Falls. A co-captain with Bob McCartney, Derric is only southpaw on Panther squad. A top-notch performer past three seasons, is three-time North Central champ. Won No. 5, 2 and 3 singles titles past three campaigns. Fills No. 4 singles role this season, with some action possibly at No. 3. Teams with Steve McKinstry at No. 1 doubles tandem after finishing runnerup in 1974. Fine ground strokes and quick wrists, Derric is a deceiving type player. A tennis letterwinner at Cedar Falls High, his goals are to win another singles and doubles title in the conference. Tallied fine 29-5 record last season. Member of Sigma Gamma Epsilon Fraternity, other interests include backpacking, camping or just about any outdoor activity. A geology major, immediate plans include marriage and graduate school. Born .

KREJCI, RANDALL -- (6-3, 185) Junior - Cedar Rapids. Top performer past two seasons, winning NCC No. 5 singles titles twice. Paired on league-winning No. 2 and 3 doubles champions both years respectively. Finished in third round of NCAA II tourney his frosh season. Plays with somewhat unorthodox serve, apparently gets job done after a fine 32-2 record in 1974, the team's best. Teams with Rich Hoewing or Dana Cooke for No. 3 doubles spot this season after pairing with Mark Whiting to win the conference title in 1974. At Kennedy High earned letters in basketball and tennis, plus participated in state bowling tournament in 1970 and 1971. Captained tennis team senior year, was district doubles runnerup in 1972 and state quarterfinalist. Received school Senior Athletic Award and the list goes on and on. One of state's fine young football and basketball officials, Randy hopes to continue this interest as a career. Majors in physical education and health, was born .

McCARTNEY, ROBERT -- (5-10, 135) Senior - Mason City. Other team co-captain, Bob is slated for No. 2 singles role after finishing third in conference at No. 1 in 1974. No. 6 and No. 3 singles league-winner in frosh and sophomore years, paired with Bob Andres last season to win conference No. 2 doubles title. Mark Whiting is new partner this season. A quick, aggressive player, Bob is an excellent retriever. Won letters at Mason City High in cross country and tennis, serving as court captain in 1970 and 1971. As school No. 1 singles player, selected on All-Conference and All-District squads. The Panthers look to for leadership this season. An excellent student, Bob majors in psychology and has no immediate future plans. Born .

MCKINSTRY, STEPHEN -- (5-9, 160) Junior - Waterloo. Slated for duty in No. 1 singles and partnership of No. 1 doubles team this season. A two-time conference winner of No. 4 singles, Steve is impressive serving artist and has a strong, consistent volley. Runnerup with Iles at No. 1 doubles tandem in NCC last season, the same pair is slated for similar duty this spring. Posted 27-6 singles record a year ago. Lettered at East High School in swimming and tennis, captained swimming team in 1972 and member of Big Eight tennis doubles champion in 1972. Was President of Honor Society and graduated in top 10% of graduating class. Teaches tennis summers and majors in history. Plans to coach tennis and attend law school after graduation. Another great season is expected and needs to fill major leadership role next year. Born .

WHITING, MARK -- (5-10, 145) Sophomore - West Des Moines. A fine, aggressive individual, considered best bet for duty in No. 3 singles spot, plus filling in as member of No. 2 doubles slot with Bob McCartney. Won NCC No. 6 singles title in 1974, plus paired with Randy Krejci to capture No. 3 doubles title. Boasted a fine 31-2 singles string in 1974, prepped at Valley High. Received letters in cross country and tennis, captured tennis team senior year. Was district runnerup in 1972 and 1973. A National Honor Society member as a prep, Mark majors in physical education and plans a teaching career after graduation. Born .

The University of Northern Iowa is relatively new in name, but the school itself is nearly 100 years old. Created by the Iowa General Assembly, the University opened in 1876 as Iowa State Normal. In 1908, the name was changed to Iowa State Teachers College and under this name the school attained a national reputation as a leader in the field of teacher education. In 1961, the name was again changed to State College of Iowa and six years later attained its present name.

Teacher education remains the chief function of the University, a wide-ranging program of non-teaching courses, including professional training in business and science-related areas, are now offered.

The school has grown from its original 40-acre site to more than 40 buildings and 600 acres. New structures include the Union, science building, music building, Tower residence and dining complex, the physical education instructional center, the modern education center and an addition to the library.

UNI's prowess in teacher education has left its mark on the physical education department, which turns out per capita the largest number of coaches in the state.

**THE UNI-DOME**

A brand new home awaits the UNI Athletic Department this fall, moving into the Midwest's first domed stadium -- THE UNI-DOME!

The covered arena will allow indoor football, basketball, wrestling, track, gymnastics and tennis. Groundwork began in July, 1974 and completion is set for late this fall. A translucent, teflon-coated fiberglass roof is supported by air pressure from within the Dome. Initial seating will be just over 8,000 and expansion to accommodate 19,000 spectators in the completed facility.

The structure will have a completely removable artificial gridiron surface which can be rolled up in 45 minutes revealing a base surface able to provide a floor for other events such as concerts, conventions, etc. besides athletic contests.
