Panther Outlooks

Coach Ken Green has a contingent of four letterwinners returning to the 1979 spring squad, including senior Larry Gladson, senior Roger James, who placed 45th in the 1978 Division II nationals, junior Dennis Romm and sophomore Andy Borden. Brothers Lanny and Andy, a district and state 2A golf champion, brother to Andy, a district and state 2A school tournament and the Panther season depends upon how fast the newcomers come along.

The Panthers will miss the likes of Chris Vandall, a competitor who was medalist or high finisher in all the meets. Rich Lyons, who was named honorable mention All-American, Rick Rasmussen and Scott Johnson and Gary Nelson, who was one of the top Panther players.

Other key players who will have a large role in the success of the Panthers are freshmen Andy Buntenbach, who was a high school conference champion from Garner; Brian Buntenbach, brother to Andy, a district and state 2A medallist last spring, and Gary Cool, a runner-up in the 3A state tournament. Junior Kim Gicoff of Des Moines, who was one of the top Panther golfers, was an honorable mention All American, Rick Rasmussen and Scott Johnson and Gary Nelson, who was one of the top Panther players.

Other key players who will have a large role in the success of the Panthers are freshman Andy Buntenbach, who was a high school conference champion from Garner; Brian Buntenbach, brother to Andy, a district and state 2A medallist last spring, and Gary Cool, a runner-up in the 3A state tournament. Junior Kim Gicoff of Des Moines, who was one of the top Panther golfers, was an honorable mention All American, Rick Rasmussen and Scott Johnson and Gary Nelson, who was one of the top Panther players.

Other key players who will have a large role in the success of the Panthers are freshmen Andy Buntenbach, who was a high school conference champion from Garner; Brian Buntenbach, brother to Andy, a district and state 2A medallist last spring, and Gary Cool, a runner-up in the 3A state tournament. Junior Kim Gicoff of Des Moines, who was one of the top Panther golfers, was an honorable mention All American, Rick Rasmussen and Scott Johnson and Gary Nelson, who was one of the top Panther players.

Rounding out the UNI roster are freshmen Rich Erickson, Bob Hawig and Jeff Textor, sophomores Mike Cardin, Doug Gregg, Bill Maddox and Tom McCorn, junior Mike Paper and senior John Lounsbury.

Coach Green is looking for Romm and James to spark the team and is hoping for strong leadership from his other veterans who possess a strong competitive spirit. The Panthers have a fine tradition of golf to learn from. The Panthers have been selected to compete in the nationals four out of the past six years, in 1973, 1976, 77 and 78. UNI placed 8th in 76, 14th in 77 and 12th in 78.

In the four years Jeanette Marsh has coached the UNI golf team, the competition and the squad have gotten bigger and better. Several years ago the schedule consisted of dual meets with teams mainly from within the state. Today, the Panthers compete in large tournaments, usually with 10 or more teams, and they travel the Midwest to find the most competitive golfers.

"There is a lot of good competition in the region," Marsh says. "We compete against the best teams in the Midwest. Many golfers no longer go south to school, so the competition is growing stronger here. We see some of the best courses in the nation."

The Panther program has expanded to where UNI competes in about six meets in the fall and four in the spring. The spring season was lengthened from three to five weeks a year ago to allow for more conditioning and practice time. Winter conditioning drills consist of a weight and endurance program. The athletes also have access to a net in which to hit into in the Dome.

The spring prospects are very promising. The entire fall roster is next spring, with the exception of Rocky Burns, the Panthers’ No. 4 player, Junior Candy Black and sophomore Mary Ann Greelman may possibly will headline the veterans. Joan Mollan and Lisa Miller also are returning from the first squad and senior Carole Schlaglohi most likely will move up from the second team to the first. Most golfers dropped their handicaps by at least two strokes last fall.

Marsh carries two full teams, and both teams compete in most of the large tournaments. But Marsh says there is plenty of room for young, promising golfers. This year’s squad is very "coachable and willing to work as a team," she says. She enjoys the continuity amongst team members and is looking forward to another season.

The Coaches

Ken Green: Finishing his seventh season as the Panther’s coach, Ken Green can look back on his accomplishments and look forward to what lies ahead with this potentially explosive squad. While Green has been coach, UNI has captured the North Central Conference title three times, finished second twice and third and fourth once. Green was named the NCAA District 5 Coach of the Year in 1972. A 1960 graduate of Iowa State, he earned his master’s degree from UNI in 1965. Prior to joining the UNI staff in 1965, he was head basketball coach at Stormont High School.

Jeanette Marsh joined the UNI faculty and coaching staff in the fall of 1975. Prior to coming to Cedar Falls, Marsh was a coach at the university of Washington State University in Pullman, WA where she coached track and field and downhill and cross country skiing. Marsh has competed in a world series of sports, including golf, volleyball, basketball, snow skiing, softball and raquetball. She received her bachelor’s degree in 1963 from Mankato State University and her master’s in 1972 from the University of New Mexico. Under Marsh’s reign, the Panthers were crowned the 1976 Iowa Association of Intercollegiate Athletics for Women state champions.
The Coaches

Ken Green, mining his seventh season as the Panthers' coach, has another fine team to work with in the new season. Marsh, who was one of the top Panther players in 1965, will return to the 1979 spring squad, along with senior Roger Nelson, who was named All-Conference and All-State in three years, and second twice and third and fourth once. Green was named Coach of the Year in 1965.

Prior to coming to Cedar Falls, Marsh was a cross-country coach at Washington State University from 1969 to 1973, and full-time cross-country coach at Washington State University in 1973. He has coached the UNI track team since 1966, and has been named UNI Coach of the Year in 1976. Prior to moving to Cedar Falls in 1976, and becoming the UNI track coach, Marsh was a cross-country coach at Washington State University in 1973.

The Panthers have expanded to where UNI placed third in the 1978 NCAA District 5 tournament, and has made the NCAA District 5 tournament five times since 1978. In 1978 and 1979, the UNI track team has been ranked in the top 25 in the nation.

The Panthers' program has expanded to where UNI competes in more teams, and they compete against the best teams in the Midwest. The Panthers compete in about six meets in the season, and they travel to compete in over 20 meets.
