Covering the Panthers

Press Box & Parking: Only working press and scouts with advance notice will be allowed access to the press box. The press box is located on the east side of the UNI-Dome above the east stands. Entrances are located on the north and south ends of the box. Parking for the working press will be in the west lot of the Physical Education Complex (PEC) building which is located directly north of the Dome and can be reached from Hudson Road (HWY 57) which runs north and south on the east side of the Dome. Your press pass will be sufficient to enter the lot to park.

Entrance: The easiest access to the press box from the west lot is to enter the PEC building through the west entrance and proceed directly across to the east entrance where a long tunnel, on your right-hand side, will lead you to the playing surface.

Radio Stations: Radio stations will be assigned broadcast space upon request for permission to broadcast. Stations should make their own arrangements for telephone hookup and private telephones. If stations wish to use the courtesy line, they must contact Kelly Neff at KCFI Radio in Ceder Falls (phone 319-277-1918).

Photographers: Photographers will be issued press passes allowing them on the sidelines or in the press box in a designated photo area. LIGHTING: 75-125 ft. candles; Quartz and Mercury.

Filming: For black and white prints we suggest the use of Kodak Tri-X film with the ASA pushed to 1600. The exposure should be 250th of a second at f-stop 4. For color slides or prints, Ektachrome or Kodacolor with ASA 400 shot at 125th of a second at f-stop 2.5 usually produces the best pictures. Instructions given are for night games.

Services Provided: Printed programs, starting lineups, depth charts and other pre-game information will be provided. Team and individual stats, along with the play-by-play, will be distributed at halftime and as soon after the game as possible. There will be food and drinks provided in the press box before the game and at halftime.

Sheriff Responds: Coach Stan Sheriff will be available for answering questions following each home game in Room 142 of the PEC (next to the training room) 10 minutes after the end of each game. Media representatives, including photographers, are welcome to attend the post-game session.

Justis at Home: (319) 277-3631
Becoming the winningest coach in history at the University of Northern Iowa was just a matter of time for Head Coach Stan Sheriff. It has been that way since he took over in 1960. He took over with a bang, producing an undefeated team in his maiden year to put the Panthers into a bowl game for the first time.

Sheriff came to UNI in 1958 as first assistant to Bill Hammer and succeeded him two seasons later. Since then he has piled up an impressive 120-89-3 overall record for a .566 winning edge and his teams have won or shared four North Central Conference titles.

The 1960 team was a gem. UNI went 9-0-0 in regular season before losing to Hillsdale College in the Mineral Bowl at Excelsior Springs, MO, 17-6. Sheriff won the NCC title again in 1961 with a 7-2 record and repeated in 1962 with a 7-1-1 mark, sharing the crown with South Dakota State both years. He took a sophomore-dominated team to a 5-3-1 mark in 1963 and a second place finish in the NCC.

Then came 1964 and the most heralded year of all. His Panthers posted an 8-2-0 season, got the bid to the first Pecan Bowl game and beat Lamar Tech 19-17 in the heat at Abilene, TX. The heart of that championship squad left in 1965 and UNI lost five straight contests before rallying to pose a 4-5 mark, a figure they repeated in 1966.

In 1967, Sheriff parlayed a small but cohesive defensive unit into a 7-3-0 mark, losing by one point, 10-9, to champion North Dakota State, the number two ranked division team in the nation. The heart-breaking losses of four, one and three points came during a tough schedule. His subsequent teams went 5-5-0 in both 1968 and 1969, 2-8 in 1970, 4-5 in 1971, 4-6 in 1972, 5-5 in 1973 and 5-4-1 in 1974. Those were the lean years.

In 1975, his Panther team, behind All-American quarterback Bill Salmon, rolled to an 8-3 regular season and got the bid to the NCAA first-round playoffs. The Panthers met Western Kentucky in what now has been labeled the “Mud Bowl” and dropped a 14-12 squeaker. The nucleus of that team left but Sheriff put together another sophomore-dominated team in 1976 that posted a fine 8-3 record in the Panthers’ new home — the UNI-Dome.

In 1977, with the No. 1 quarterback knocked out for four games with a shoulder separation, coupled with an entirely new defensive front line, the Panthers bounced back from a slow 2-4 start to win its last four games and to place second in the NCC. 1978 was another lean year with a 2-9 record but smashing most pre-season bets. UNI came back in 1979 with a fine 6-5 record to place second in the Mid-Continent Conference. Last season it was third at 7-4.

Just as Sheriff’s teams have played a dominant role in the NCC and now the Mid-Continent, so have individual players. He’s produced 79 All-Conference players, with eight winning most valuable back or linesman awards. Eight times in 21 years he’s had the league’s leading ground gainer. In 21 seasons he has produced eight first-team Little All-America players with the most recent being offensive tackle Mike Timmermans in 1975. In 1960, both guard George Asleson and quarterback Jerry Morgan were honored. In 1961, guard Wendell Williams made the top team, followed in 1962 by fullback Dan Boals. Then came Randy Schultz to win first team honors in both 1964 and 1965, the first Iowa college player ever to repeat as a first team selection. In 1968, defensive tackle Ray Pedersen joined the elite list.

Since he assumed the additional role of Athletic Director in 1970, Sheriff has directed a very potent 11-sport and now 22-sport intercollegiate program, copping six North Central Conference all-sports trophies.

Sheriff’s knowledge of football and athletics does not stop at the university level. He served a nine-year term on the NCAA Football Rules Committee. He also has served terms on the American Football Association Committees involving conventions and public relations and the prestigious NCAA Television Committee, which negotiated a multi-million dollar contract with ABC Television.

A native of San Francisco, Sheriff was a collegiate star at California State Polytechnic College at San Luis Obispo. An all-conference center three seasons, he was the league’s most valuable player as a senior and was named to the first team Little All-America. Following his senior year in 1953, he played in the East-West Shrine game and the Hula Bowl, one of the first small college players to earn both honors. He graduated
from Cal Poly in 1954 and went on to play professional football for three seasons in the NFL as a linebacker.

His first coaching experience came during a tour of duty in the U.S. Army when he guided the 4th Infantry Division team to the European service title with a 10-1-1 record.

Stan and his wife, Jane, have three sons, Paul, Michael and Richard.

**The Assistants**

**Dennis Remmert**

**Defensive Line, Defensive Coordinator**

The veteran of the UNI staff, Remmert is beginning his 18th season with the Panthers. His responsibilities are coordinating the defense and coaching the defensive line. An All-American defensive tackle at UNI in 1959, he also earned All-North Central Conference honors in 1958 and 1959. After graduation in 1960, he played professional ball briefly for Buffalo. He joined Stan Sheriff's staff as a graduate assistant in 1961 and served for two seasons before coaching at Iowa Central Community College in Fort Dodge in 1963. Remmert rejoined UNI's program fulltime in 1964, when the Panthers visited the Pecan Bowl. He also received his MA degree in Physical Education in 1964.

**Dan Dorazio**

**Offensive Line, Offensive Coordinator, Recruiting Coordinator**

One of the newest additions to the UNI staff, Dorazio brings a wealth of football knowledge to UNI's football fortunes. Prior to joining the Panther staff a year ago, he had spent eight years as an assistant coach in various capacities. His last assignment was at the University of Washington where he was in charge of the tackles and tight ends. He started his career as a student assistant at Kent State where he was responsible for the varsity scout team, the junior varsity receivers and the film breakdown. He also was a graduate assistant at Kent State in charge of varsity tight ends, a part-time assistant at the University of Washington and spent three years at the University of Hawaii. He was on staff at San Jose State prior to his position at Washington. A native of Stow, OH, he received his BS degree from Kent State in 1974 and has completed some graduate work towards an M.ED in Sports Administration from Kent State, Washington and Hawaii. He and his wife, Rosemary, have one son.

**Mike Kolling**

**Defensive Backs**

Kolling begins his fifth season on the staff in charge of defensive backs. He also has held the responsibility of linebackers in the past. A native of Graceville, MN, Kolling graduated from South Dakota State in 1972 and played briefly with the Denver Broncos of the NFL and the Birmingham Americans of the WFL. After receiving his MS degree from North Dakota State in 1974, Kolling coached for one year at Rosewell, MN, and one year at Hopkins Lindberg High School in Hopkins, MN. He was an assistant at South Dakota State one year and an assistant at North Dakota State two years before being named to the Panther staff in 1977. Mike and his wife, Cindy, have one son, Michael.
Terry Allen  
**Offensive Backs**

A man who knows what he's talking about when the subject is offensive backfields, Allen joined the UNI coaching staff after quarterbacking the Panthers from 1976-78. A native of Iowa City, IA, he was an all-state and all-conference pick while at West High. Highly respected by the coaching staff and players, he was known for his strong throwing arm and his ability to run the multi-option Houston Veer offense. He suffered a shoulder separation in the first game of 1977 and was out three weeks before returning to lead the team in total offense with 1,318 yards. He returned for his third and final season as the Panthers' starting quarterback in 1978 and again led the team in total offense with 1,339 yards, 1,113 in passing.

Nick Coso  
**Wide Receivers**

Coso joined the team just in time for spring drills a year ago. He came to Cedar Falls from Charlottesville, VA, where he was a graduate assistant in charge of receivers and running backs at the University of Virginia while getting his M.E. degree in counselor education. He was a student assistant at Ferris State College in Big Rapids, MI, where he worked with the wide receivers and tight ends. A native of Ann Arbor, MI, he played football, basketball and baseball. He transferred to Big Rapids High School and competed in all three sports there. He received his undergraduate degree from Ferris State. He and his wife, the former Xuchitl Nodarse, were married this summer.

Doug Sams  
**Offensive Line**

Beginning his third fall season with the Panthers, Sams began his UNI tenure with the wide receivers and has moved over to the offensive line. A two-year player for Oregon State, knee surgery in 1974 forced termination of his athletic career. He was a three-year starter as a tight end at LaGrande (OR) High School and was a four-year letterman in track. Prior to coming to UNI, he was a part-time assistant football coach at Oregon State, a graduate assistant and an administrative assistant. He received his BS degree in Political Science in 1978. He and his wife, Colleen, reside in Cedar Falls.
The UNI-Dome
A UNI-que Coliseum

UNI supporters and the entire State of Iowa realized a dream come true with the completion of the UNI-Dome — a completely covered, multi-purpose facility with an air-supported roof — in February of 1975.

UNI-Dome, the prefix standing for the University of Northern Iowa, as well as meaning unique, combines the features of three buildings — a football stadium, fieldhouse and large auditorium. It hosts such events as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball, softball and field hockey games and wrestling and track meets.

The UNI-Dome's air-supported, Fiberglass fabric roof, constructed by Owens-Corning Fiberglass Corporation, was erected at a cost equal to half that of conventional roof construction. And because of the Dome's translucence, ample natural light is available during daylight hours — a sizeable savings on utility costs.

Multi-Purpose Use

The UNI-Dome was designed with “something for everyone.” Its artificial turf for football games and practices can be rolled up in 45 minutes. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games can take place simultaneously at the field level.

Approximately 16,400 spectators can be seated for football and 7,254 for court-side activities. For stage activities, such as commencement, concerts and artist or speaker series, total capacity — using movable bleachers and folding chairs — can reach 25,000.

Air-Supported Dome

The 168,000-square foot dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12 stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables. The cables, which shape, as well as support, the dome are 2½ inches in diameter. They vary in length from 395 to 484 feet and together weigh 47 tons, or 94,000 pounds.

Two 40,000 cfm (15 hp) fans circulate air and maintain enough air pressure in the building to keep the roof inflated during normal use. Two additional 135,000 cfm (125 hp) fans are used during inflation of the roof, during mass exiting from the building (which causes great loss of air pressure), during heavy snow fall for aid in melting snow off the roof and during spectator events for heating and cooling the building.

Fiberglass Fabric Roof

The roof of the Dome is made of 49 tons of woven Fiberglass fabric coated with Teflon. The fabric is self-cleaning and requires virtually no maintenance. It will not burn or support combustion, nor is it affected by ultraviolet radiation.

Approximately 60 percent of the Dome has an inner liner of fabric that provides acoustical as well as thermal benefits. The liner tends to baffle the sound waves and air from the perimeter, where the pressure is greater than outside the building, and can be diverted and blown between the two layers to facilitate snow melting.

Other Features

The UNI-Dome has four main entrances leading to a 32-foot wide concourse. Seats, color-matched to tickets, are easily reached through seven access gates on the east and west sides. A total absence of columns and posts gives every seat in the stadium an unobstructed view.

A service entrance, large enough for a tractor-trailer, is located at one end of the stadium. Concessions, displays, first aid stations and rest rooms are conveniently located on either side of the building.

A spacious press box atop the east stands has facilities for 10 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are a few other features.

Two huge scoreboards can flash messages and information to spectators throughout the events.

Plans call for the addition of administrative offices, locker and training rooms and VIP boxes. Currently, a tunnel connects the Dome with the Physical Education Center for locker facilities.
1981 Outlook —
Panthers' Jump to Division I-AA
Opens a New Era in UNI Football

An era draws to a close and a new one begins for Northern Iowa football in 1981. The Panthers move to Division I-AA this fall, wrapping up a highly successful tradition in Division II where UNI had a winning percentage of .566. Though the program has been upgraded, there is little doubt the Panthers can face the challenge, especially with the bulk of offense returning from last year's 7-4 squad. That squad set no less than 28 school records.

"We had an excellent spring," said Head Coach Stan Sheriff, "and we think we're going to be better than a year ago. We've got the instigators back with a few bonuses and we had our best recruiting year ever. Though we have some question marks on defense, most things should fall into place."

The schedule has been upgraded to meet the qualifications of the new division. There are three new opponents on the schedule. The lineup is brutal with games against conference foes Eastern and Western Illinois, which also join the Division I-MA ranks, and Southwest Missouri State, which will not be classified I-AA until next year. South Dakota, an ancient foe from the North Central Conference, repeats its appearance on the schedule. The three new teams are Grand Valley State, Idaho and Montana. UNI opens the slate Sept. 5 hosting Drake, renewing an old series. It's another long season with the final contest scheduled against former Mid-Continent Conference member Youngstown State now with the Ohio Valley, Nov. 21. Nebraska-Omaha and Northern Michigan, another M-CC former member which has elected to remain Division II, round out the schedule.

The Panther strength once again will be in the offense. Kelly Ellis, the diminutive tailback from Waterloo, IA, returns for his fourth season after receiving a redshirt a year ago. Injured in the second play in the first game, he managed to play in only one other series later in the season before sitting out the rest of the year. After a brilliant freshman season in which he led the entire nation in all-purpose running, Ellis tailed off slightly in 1978 but is the type of player who generates excitement every time he touches the ball. He came back in 1979 to set an NCAA single game rushing record against Western Illinois when he scampered for 382 yards. The Honorable Mention All-American selection also picked off a 23-yard pass in the same contest. "Kelly is the type of player that you want to have the football as much as possible," said Sheriff. "And though it may be difficult to believe, Kelly is in the best shape now I've ever seen him. He is bigger and stronger than he's ever been."

UNI is deeper in running backs than it was a year ago. Besides Ellis, Chris Millner (5-8, 163) returns for his sophomore season. A native of Dayton, OH, he was forced into action last season with the injury to Ellis. As a freshman, he was the leading ground gainer with 899 yards and five touchdowns. He ran over 200 yards in two games, 221 in the final contest of the year against Evansville.

Complimenting Ellis and Millner are two fine fullbacks who will see plenty of action in the fall. Davey Lewis, a transfer out of Golden Valley Community College (6-0, 202, Minneapolis, MN) had a fine spring and sophomore-to-be Dave Evans of Marshalltown, IA (6-0, 208), are in a tight race for starting honors. Another tailback, sophomore-to-be Tim Arvidson (5-10, 180, Rockford, IL), also has drawn praise from the coaching staff.

There isn't any question about who will lead the offense. Senior quarterback Steve Sandon played like a completely different athlete last season following a sluggish sophomore year. He set no less than 10 game, season and career records for passes attempted, completed, yards gained by passing, total offensive attempts, yards gained by passing, total offensive attempts, total offense and touchdown passes.
thrown. He passed for 2,761 yards on 186 of 334 attempts and threw for 22 TDs. He was rated high most of the season in the Division II ranks and finished in third place in passing efficiency and fourth in total offense. He had a great deal to do with UNI’s placing second in total team offense, third in passing offense and fourth in scoring offense in the nation.

Only two other quarterbacks were in spring camp, both freshmen-to-be after receiving redshirts their first years. Larry Miller (6-4, 195, West Chicago, IL) is the no. 2 quarterback coming out of spring. Kurt Marshall (6-2, 204, Rockford, IL) saw limited action since he was still recovering from shoulder surgery performed in the fall. He’s a left-handed quarterback. Two incoming freshmen, however, should put pressure on both Miller and Marshall, though Miller “had perhaps his best practice of the spring in the annual Purple-Gold intrasquad game,” according to Sheriff.

The return of Kelly (Ellis) can’t hurt us. He is the type of player you want to have the ball as much as possible. If you can believe it, he’s better now than I’ve ever seen him. He’s bigger and stronger.

The receiving corps possibly could be the strongest and deepest position on the squad. Split end Ken Harvey (6’5, 186, So., Denver, IA) would have had the most TD receptions with 547 points. Don Stewart is the second returning defensive back. He was the only freshman who started at one time or another for the Panthers a year ago and has earned a starting role heading into the fall.

Other d-backs who have drawn praise are cornerbacks Ronald King (6’4, 192, Jr., Scottsdale Community College), returnee Dan Gentzler (5-10, 164, Sr., Augusta, KS) and Darryl Lyons (6-1, 175, Jr., Hutchinson (KS) Community College) and safeties Jeff Mills (5-11, 186, So., Denver, IA) and Eric Watson (5-11, 195, Jr., Phoenix Junior College).

The linebacker spot lacks experience with the most experienced athlete being returning starter Joe Anderson (5-11, 212, Jr., Waterloo). Anderson had an excellent sophomore season when he finished second in defensive points on the squad. He’s one of the surest openfield tacklers. Other athletes expected to see action are Mark Holmes (6-4, 225, Fr., Moline, IL), Mark Wilson (6-0, 206, Jr., Evansdale, IA), Dave Larson (5-10½, 200, Fr., Bettendorf, IA) and Brian Thorne (6-0, 190, So., Iowa City, IA).

Graduation also took its toll on the defensive tackles where four-year starters Owen Dockter and Dave Ramthun are gone. But Brad Hayes (6-5, 232, Jr., Eldridge, IA), Fred Bryan (6-4, 240, Jr., Minneapolis), a Chevrolet Scholarship awardee last year, Mark Cory (6-4, 237, Jr., Urbandale, IA) and Rusty Graham (6-4, 224, So., Wheaton, IL) are ready to step into their shoes.

One other trouble spot arose during spring drills. The defensive ends were depleted by injury. Dave Yount (6-3, 210, So., Runnells, IA), starter Jerry Griffith (6-3, 226, Sr., Wellman, IA) and Randy Schultz (6-2, 208, Jr., Cedar Rapids) all were recovering from knee surgery or sustained knee injuries during drills. Griffith escaped the knife and Schultz’s injury seems the most serious.

The kicking game should be just as strong or stronger than a year ago. Place-kicker Steve Schonert returns for his second season. A transfer from Wake Forest, he set four school marks last year and tied one other. He set marks in number of extra points scored in a game and season, field goals attempted and scored and tied the record for field goals scored in a single game. Punter Mike Johnson (5-10, 185, So., Dubuque, IA) was a walk-on last season and in his first collegiate punt, he booted it 52-yards against Western Illinois. He responds to pressure well and averaged 44 yards in the spring.

Attended Waterloo Central High School where he was an All-State selection ... played on the junior varsity squad and the speciality teams his freshman season ... at the end of spring ball a year ago, he emerged as the no. 1 weak side linebacker and has maintained his no. 1 status throughout the year ... possesses good lateral quickness and is a consistently good tackler, finishing last season with 70 assisted tackles and 24 solo tackles ... also recovered two fumbles and came out second on the team in defensive points ... is one of the most experienced players on the defense and is one of the surest open-field tacklers, in fact, has the ability to catch even a Kelly Ellis ... a good undercoverage man on pass situations ... very coachable and works hard both on the field and in the classroom ... the fact he was elected co-captain in his junior year shows he is highly thought of by his peers.

32 — Kelly Ellis, Tailback, 5-8, 163
Sr. Waterloo, IA
Has been accorded the honor of being named co-captain for the third straight year ... prepped at Waterloo West High School where he was an elite All-State selection two years in a row ... in all probability, the most electrifying runner ever to wear the Purple and Gold at UNI ... an outstanding runner with amazing quickness ... tied a single game UNI record, scoring four touchdowns in one game and led the nation in all-purpose running with 1,576 yards as a freshman ... had somewhat of an off-season in 1978 but came back in 1979 to set a single game NCAA rushing record with 382 yards rushing in 40 carries against Western Illinois, ending the season with 1,903 yards ... redshirted last season after sustaining a shoulder injury on only the second play of the year ... has increased his strength in the off-year, spending a lot of time in the weight room, and coaches feel he is the best he's ever been ... adds another dimension to the offense because he is turning into a fine receiver ... led receivers in the Purple-Gold spring game with over 200 yards in only 12-minute quarters ... will share tailback duties with sophomore Chris Miliner ... a first team All-Conference pick two years ago.

99 — Jerry Griffith, Defensive End, 6-3, 226 Sr. Wellman, IA

9 — Ken Harvey, Split End, 6½, 175 Sr. San Diego, CA
A transfer from U.S. International a year ago, he wasted little time in getting his name in the UNI record book ... 935 yards in pass receptions and six touchdowns ... difficult to mistake out on the playing field with his lanky body and superb speed ... has proven to be a big play kind of receiver ... a very intense worker on the field ... always striving to get better ... he and quarterback Steve Sandon work very well together ... picked up in the spring where he left off in the fall ... has great hands and is a great down-field blocker ... a quiet leader who always is ready to help out the other receivers on the team ... a second team All-Conference pick ... ranked 13th in the nation in receiving.

40 — John Root, Safety, 6-1, 180 Jr. Fallbrook, CA
Another transfer from U.S. International last year, along with Ken Harvey ... made a considerable contribution ... one of the most capable athletes on the squad ... led all defensive backs with 547 defensive points ... intercepted seven passes, scoring one touchdown, also blocked one kick ... could break the school's individual career interception record ... very aggressive ... good hitter ... more comfortable with the UNI scheme now ... very leader ... has a great break on the ball, anticipates well ... runs the 40 in 4.7 but plays much faster than that ... a second team All-Conference pick.

12 — Steve Sandon, Quarterback, 6-3, 200 Sr. Des Moines, IA
Definitely made an impression last season following a disappointing sophomore year ... set no less than 10 game, season and career records for passes attempted, completed, yards gained by passing, total offensive attempts, yards gained total offense and touchdown passes thrown ... passed for 2,761 yards on 186 of 334 attempts ... threw for 22 TDs ... had an excellent spring ... gained confidence in the offense and showed more ability in knowing how to read the schemes and how to hit secondary receivers ... has worked hard to eliminate his interceptions, not throwing any in the annual Alumni-Varsity game ... bench presses 325 pounds ... has a quick release ... a pure passer ... his major improvement has been his growth and knowledge of the offense and ability to read the defense ... second team All-Conference pick ... prepped at East Des Moines High, guiding it to a 7-2-0 record his senior year and earning All-City and State honors ... was ranked high in the Division II stats most of the season, ending the year ranked third in passing efficiency and fourth in total offense.

Recapping 1980 Game-By-Game

Nebraska-Omaha 32, NORTHERN IOWA 8

Sept. 6 ... Omaha, NE ... Attendance 9,200

The Panthers dropped their season opener 32-8 to Nebraska-Omaha, the no. 1 ranked Division II team, in 90-degree heat, though the game was played at night. The contest went from bad to worse for UNI.

UNI won the toss and elected to receive. But on the second play from scrimmage, UNI's record-breaking tailback, Kelly Ellis, was tackled out-of-bounds, sustaining a shoulder injury which eventually sidelined him for the entire season. The first series ended with UNO blocking a UNI punt and recovering the ball on the Panthers' 23-yard line, leading to an Omaha field goal.

The Mavericks proceeded to build up a 32-0 lead and threatened to shutout UNI but with only 1:15 remaining in the contest. UNI's reserve quarterback Dave Chambers threw a 42-yard pass to Keelan Roberts for the score. Chambers ran for the two-point conversion and the game ended 32-8.

The Panthers proved to be too much for Arkansas Tech as UNI had a second-straight high scoring game. UNI jumped out to a 14-0 first quarter lead when Steve Sandon threw a six-yard pass to Chris Millner and Greg Holt had a two-yard scoring run.

Tech outscored UNI 10-7 in the second period when Stacy Johnson scored from three yards out and Kelly Davis had a 37-yard field goal. Sandon scored from two yards to make the halftime score 21-10.

The rest of the game was all UNI. Sandon threw two more TD passes — a 30-yarder to fullback Jeff Girdner and a 39-yarder to Kevin Thorp.

The Panthers built up an amazing 448 yards rushing with the help of Millner's 205 yards all by himself. Holt added 97 yards on the ground. Sandon had 150 yards passing on nine of 15 attempts, adding up to 630 yards in total offense. Tech could muster a respectable 260 yards of its own but they just couldn't stop UNI's potent offense.

Northern Michigan 20, NORTHERN IOWA 16
Oct. 4 ... Marquette, MI ... Attendance 5,610

Northern Iowa went into the game against the no. 1 ranked team in Division II for the second time that year but was ranked no. 1 in total team offense itself. Quarterback Steve Sandon also was the leader in passing efficiency.

The Panthers had the game won 16-13 with 1:06 remaining in the game but Northern Michigan's Phil Kessel led a 66-yard drive and capped it off with a two-yard pass to Mike Deming in the corner of the end zone with :01 left on the clock, stealing the win 20-16 to remain undefeated. It was a controversial TD because there were suspicions of wrongful handling of the clock.

UNI took a 10-0 lead in the first period on a seven-yard run by fullback Jeff Girdner and a 35-yard field goal by Steve Schonert. Tragedy came in three's, however. The Panthers had a chance to take a 17-0 lead but it quickly turned into a 10-10 tied game. On a third-and-one situation, wide receiver Ken Harvey crossed the goal line but allowed a
pass to bounce off his shoulder pads. NMU’s defense, ranked second in the nation, blocked a Brad Zumbach punt and ran 32-yards for its first score. Two plays later, Sandon fumbled the ball on the Wildcat 10. They settled for a field goal.

Northern Michigan took a 13-10 lead on a field goal at the start of the second half and UNI’s Steve Schonert tied it again with another boot through the uprights. He kicked his third field goal to get the 16-13 lead.

UNI’s first two scores were set up by interceptions by defensive end Ed Stratton.

Oct. 25...

Cedar Falls, IA... Attendance 13,111
The Panthers scored their first shutout since 1976 when they downed Southeast Missouri State before a Homecoming crowd of 13,111. After two weeks of sluggish first halves, UNI had little trouble in taking command of the game, scoring its first TD with 8:34 left in the first period on a nine-yard run by Chris Millner. UNI proceeded to score 13 points in the second period, seven in the third and wrapped up the game with 14 points in the fourth quarter.

The Panthers’ passing attack was once again remarkable outstanding. Steve Sandon completed 24 of 30 passes for 246 yards and three TDs and reserve Dave Chambers was perfect on six of six passes for 31 yards. UNI totaled 439 offensive yards and held SWMS to 205, only 86 through the air.

The game took its toll, however, in some nuisance-type injuries. Steve Wright sprained a knee early in the contest. Ken Harvey suffered a pulled groin muscle and Greg Holt, Chris Millner and Kenny McNeal all were hobbling on sore ankles.

UNI wrecked Youngstown's Homecoming. The Penguins got on the board first via a nine-yard pass but kicker Steve Schonert connected on a 49-yard field goal, his longest of the year after missing an earlier 52-yarder, to get UNI rolling. QB Steve Sandon threw a 19-yard TD pass to Kevin Thorp and the Panthers took an 11-7 lead at the end of the first quarter. Schonert kicked two more field goals, Chris Milner scored on a two-yard trek and Sandon threw two more passes to give UNI its sixth win, fourth straight.

Sandon was once again in fine form. He completed 20 of 34 passes for 294 yards. His leading receiver was Kirk Hobbs with 102 yards on three catches. Milner had 49 yards rushing.

Eastern Illinois 14, NORTHERN IOWA 9 Nov. 8.

Charleston, IL... 12,600

UNI's hopes of winning a share of the Mid-Continent Conference title and at the same time making it an uphill battle for an NCAA playoff berth happened all too drastically when the Panthers lost its third contest to a no. 1 ranked team. Eastern Illinois grabbed the league crown and a sure playoff berth with its win over UNI and dropped the Panthers to third place in the conference and 6-3 overall.

What was expected to be an offensive battle turned into a defensive struggle and Eastern's defensive line turned out to be the hero. UNI's QB Steve Sandon went into the game ranked second in Division II in passing efficiency but he could muster only 15 of 43 passes for 198 yards and his second and last interception of the day proved to be the Panthers' downfall. Just when it looked like UNI had the momentum, the Eastern rush flipped the game and returned it 30 yards for the winning touchdown. Sandon was sacked no less than eight times after coming into the contest with only being thrown to the turf six times.

UNI could have tied the score at 7-7 in the second period but kicker Steve Schonert, who had kicked 28 extra points with no misses, hooked this one to the left which made the score 7-6. The third quarter went scoreless and after Lee intercepted Sandon's pass, UNI did build up more points on a 48-yard field goal by Schonert. But it wasn't enough.

South Dakota 16, NORTHERN IOWA 14 Nov. 15...

Cedar Falls, IA... Attendance 12,929

Northern Iowa's playoff hopes were squashed when a determined and fired-up South Dakota squad upset the Panthers before a Parents' Day crowd and an ABC regionally televised audience.

UNI scored first on an 18-yard pass from Steve Sandon to Al Sanders with 9:39 left in the first period. Steve Schonert just missed a 52-yard field goal at the end of the first period and South Dakota came back with 8:36 left in the second quarter on a one-yard scamper. The extra-point was missed, however, preserving UNI's lead at 7-6. The Coyotes also had missed on a 19-yard field goal attempt earlier. Schonert had his first field goal attempt blocked from the 35 just one series later.

Despite the importance of the game, the Panthers couldn't seem to get anything moving in the second half. South Dakota scored on a 22-yard run with 5:07 left in the third period and it scored again with 4:47 left in the game when it was successful on a 29-yard field goal.

UNI almost pulled it out. With 2:46 left, Chris Milliner went in for the TD on a one-yard run. Later, with a 1-10 on South Dakota's 32-yardline, Sandon was sacked, fumbling the ball, and South Dakota recovered with :57 left on the clock.

1981 Outlook

The Bulldogs experienced some major graduation losses after their 8-3 season a year ago, when they tied a school record for victories, set marks in rushing offense and total offense and were ranked among the national leaders in interceptions. Major losses include quarterback Rick Casko, Mike Moeller, center Dennis McKnight and Greg Benton, who all were first-team All-Conference selections, and starters Talmadge Tanks, Tim McManus and Terry Shanahan. However, some top athletes are returning, like Amero Ware, the conference's leading rusher, and Pat Dunsmore, the league's leader in receptions. Ware rushed for 964 yards and also caught 18 passes for 150. Dunsmore brought in 41 passes for 701 yards and four TDs. Drake has 12 returning starters, five on offense, six on defense and all-MVC kicker Henrik Mike-Mayer. Mike-Mayer was perfect in 39 extra point attempts and made 11 of 16 field goals. Gary Yagelski probably will replace Casko at quarterback. Head Coach Chuck Shelton feels he may have been the second best signal caller in the conference last season. He threw only 17 times, completing 11 for 200 yards and three TDs. But the Bulldogs have confidence in their quarterback situation and he will have to hold down the position. On defense, the only returnee who started all 11 games is strong safety Dave Kilpack. The other veterans who started at least six games are linebacker Pat Rudy, tackle Dan McCain and nose guard Tim Hansen. Shelton feels Drake should have a quicker defense, if not a lot of experience.

1981 Outlook

Coach Jim Harkema's strength for 1981 seems to lie with the linebackers, receivers and the skill positions. The Lakers did lose tailback Will Roach and quarterback Dave Quinley, both GLIAC selections, but the staff feels it has skilled people to cover for them. One of the major problems will be filling in the defensive corners which were left open by seniors Mike Given and Craig Blanchard. Blanchard also was an All-League pick. Some top returning players include linebackers Randy Damstra, Paul Svabik and Kurt Fredricks, safety Pat Kelly, wide receivers Mike Woods and Jeff Chadwick and tight end Rob Rubick. The team lost a total of 14 players and have 43 returning. Harkema signed 25 recruits. In the last five years, Grand Valley has won or has been picked to win the Great Lakes Conference title. Last year, it finished the season at 7-3, 4-2 in the league, placing it second behind Hillsdale College.

1981 Outlook

Optimism is running high in Moscow. Fans are calling 1981 the year of "the Gold Rush" after coming off a 6-5 season a year ago, good enough for a second place finish in the Big Sky Conference. Last year was the Vandals' first winning season since 1976. Forty-nine lettermen return in 1981, including 15 starters. The entire offensive backfield is back, the same which finished first in the league in rushing and second in Division I-AA with a 260.2 per game average. The spark was sophomore quarterback Ken "The Kamiah Kid" Hobart. He finished third in rushing in the league and was an All-League Honorable Mention pick. Joining him in the backfield are senior Russell Davis and junior Wally Jones. The receivers are led by returnee Jack Klein who will be starting his fourth season. He had 21 catches for 311 yards a year ago. Tom Coombs is back at tight end, the top receiver on the squad with 355 yards. The offensive line lost two guards and a center but tackle Bruce Fery, a first team All-Conference pick and Honorable Mention Little All-American, is back to help fill the void. Idaho's defense is expected to be one of the strongest in the Big Sky with the return of eight starters. The only vacant spots were at one defensive end and two defensive backs. Linebacker Sam Merriman, end Jay Hayes and defensive backs Greg Jennings and Kelly Miller lead the pack.

#### 1981 Outlook

Ten returning starters and 36 letterman highlight the Grizzlies 1981 squad. The defensive strengths lie in the defensive line with the return of three-year starter Pat Curry, corner back Mickey Sutton and free safety Tony Fudge, the only defensive starters back. With two of the four defensive backs returning, Head Coach Larry Donovan hopes the secondary is improved in defense against the pass. Curry also is mentioned as a good rusher. Building a good defensive team was a priority a year ago and caught 15 passes for 103 yards. At tackle, Bob Cordier is recovered from a broken arm and Jim Rooney, Pat Norwood and Rocky Miller all have seen action. Quarterback Marty Mornhinweg (61 of 120 attempts for 874 yards and five TDs) returns for his second year and will be backed up by sophomores Kelly Richardson and Alan Powell.

#### 1981 Outlook

Though the Wildcats return 33 letterman, replacing the 14 who won't return is what concerns Head Coach Bill Rademacher, especially when that group includes last year's Division II total offense leader, quarterback Phil Kessel. He accounted for 2,555 yards passing and 566 yards rushing. The defense was the fourth most stingy group in the Big Sky and the running game averaged almost 160 yards per game. The passing game has been a problem for Western the past three years and there were three or four "top candidates" during spring drills. The offense will run out of Pro-I offensive formation. Quarterback hopefuls are sophomore Mark Bloom, senior Steve Dal ton, juniors, Brian Greenup and Paul Marsza lek and sophomore transfer Tom Penz. Only Marsza lek and Dalton have varsity experience. Only one wide receiver returns from a year ago — Daryl Mosby — but there should be at least three junior college transfers who will be fighting for position. Without All-American Mike Maher, the tight end spot is wide open. The offensive line also is without an All-American, guard Don Greco, but there are two big tackles in 247-pound Kyle Peterson and 265-pound Mid-Continent Conference pick John Stadnik. Rookies will fill the guard positions and the defensive secondary will "have to get better." Returning starters here are Percy Tompkins and Erskin Bassette, along with part-time regulars Thad Freeman, Steve Farness and reserve Bill Flodin.

1981 Outlook
Head Coach Richard Johanningmeier has the equivalent of one returning experienced player per position for his 1981 squad as the Bears enter their first season in the Mid-Continent Conference following 56 years in the Missouri Intercollegiate Athletic Association. The squad includes 20 letterman and five provisional lettermen. SMS has to replace 20 seniors from last year’s team, 12 of whom received some form of All-MIAA award during their careers. Only junior defensive lineman Brad Haddox was questionable during the spring because of knee surgery performed during the off-season. Several players were slated to work at new positions during spring drills or to work at more than one spot. They included Ted White at both quarterback and split end; Kenny Buford shifted from cornerback to defensive guard; Russell Bowlds moved from linebacker to halfback and fullback; J.D. Ward shifted to tight end; John Finders from tight end to outside linebacker. Dan Sweetwood at noseguard and Tata Machado and Rick Poeschl at linebacker. The backfield also is hurt by graduation. Steve Agee, Chuck Spencer and Mark King, all letterwinners, will be front-runners.

1981 Outlook
Head Coach Darrell Mudra will be without 15 starters, including three All-Americans, and several key offensive performers. However, second team All-American free safety Kevin Gray returns after leading the league in interceptions and being selected the conference’s Defensive Back of the Year. Also on defense is a fine group of line backers. Senior Ira Jefferson is the leading returning tackler (107) and he was a first team league pick. Joining him are senior Tom Murray and junior Bill Mines, who was a first team league selection as a freshman. Keith Wojnowski returns at defensive end but several other large holes are left. Pete Caton and All-American Randy Melvin are gone from the front line and Gray and Wilbert James are the only defensive backs returning. Junior quarterback Jeff Christensen saw a lot of action last year but should see even more this season. He set several school records in EIU’s win over Northern Michigan. He had 13 touchdown passes and 1,340 yards for the year. Senior tight end Rob Medalic is the only returning receiver who caught more than 10 passes. He had 36 catches for 579 yards, earning him second team All-Conference honors. Tailback Kevin Staple, with over 1,000 yards rushing and returning kicks, is the only returning starter in the offensive backfield. Scott Gilleland started four games at center a year ago before suffering a broken arm, giving up to George Tuzil. Both return. All other offensive line spots are up for grabs.

1981 Outlook
Fourth-year Head Coach Sandy Buda must replace the loss of 19 seniors from a squad that was ranked first in Division II, or second, for most of the year. This fall’s team will run from the wishbone formation to take advantage of quick backs. Twenty-four lettermen return in addition to six transfers. Leading rusher Tim Rogers is back and is closing in on the career touchdown record of 35. He has 25. Senior Dave Soto, Barry Leif and Dennis Boesen, the nos. 2, 3 and 4 rushers, also return. Quarterback Mark McManigal is coming off a fine sophomore season when he rushed for five TDs and threw for six more. Kicker Mark Schlecht has graduated, leaving many records, and it looks like sophomore Jeff Pate will take over the chores. The offensive line will be manned by veterans Marty Rocca at center and Roe Martin and Jim Dietz at the guards. Two-year letterman Brian Soliday is the leader at tight end while the receivers are solid with several key offensive performers. How­ever, second team All-American free safety Kevin Gray returns after leading the league in interceptions and being selected the conference’s Defensive Back of the Year. Also on defense is a fine group of line­backers. Senior Ira Jefferson is the leading returning tackler (107) and he was a first team league pick. 1981 Outlook

The coaching staff in South Dakota says 1981, on the surface, looks good with 36 returning lettermen, 15 of them starters, including a potent offensive backfield, talent at the key positions and a strong defensive front seven. However, the schedule and depth may cause some problems. Rebuilding must be done in the secondary and offensive line in the midst of a tough nonconference schedule. The offensive backfield is loaded with the entire group returning. Quarterback Chris Daniel set six school record with a 54-yarder against Murray State.

1981 Outlook

Thirty-one lettermen return to help the Penguins make their move from the Mid-Continent Conference to the Ohio Valley league. The quarterback field has been narrowed to one, with the graduation of Gary Fritz and the move of Les Pakalnis to wide receiver. So, sophomore Mike Sloe has gotten the bid. Last year, he led the team to its only two victories while completing 25 of 64 passes for 291 yards. Four other athletes are vying for the slot, though they have little experience at Youngstown.

The Mid-Continent Conference

Entering into its fourth year of existence, the Mid-Continent Conference already has produced in its first three years a national champion in Division II football. Eastern Illinois, finishing third in the conference race, chalked up victories over California-Davis, Youngstown State, the M-CC champion, and defeated Delaware, a perennial power, 10-9 to claim the national championship the first year. Youngstown, the conference champ two years ago, placed second to Delaware by losing the title game 38-21 and last year Eastern Illinois placed second to Cal Poly-San Luis Obispo, 21-13.

In basketball, regular season champion Eastern Illinois, along with Northern Iowa and Northern Michigan, both of which tied for second, each made an appearance in the Division II playoffs three years ago. Two years ago, Northern Michigan, Eastern and Western Illinois advanced to the playoffs. Last year, with Northern Iowa playing its first year in the Division I ranks, left Western Illinois and Northern Michigan in the playoffs, meeting each other in the finals of the Great Lakes Region. Northern Michigan won, advancing to the quarterfinals against Mt. St. Mary of Maryland.

Eastern Illinois won both conference wrestling tournaments with UNI finishing second. No league tourney was held last year. Eastern went on to place second in Division II three years ago, while Northern Iowa was runnerup two years ago.

In track and field, UNI won the conference crown four years ago and went on to place fifth in Division II with Brent Geringer successfully defending his discus title. Western Illinois finished eighth. Two springs ago, Western and Eastern Illinois placed first and second, respectively, while UNI was forced to settle for third in the three-team meet. This past year, Eastern again took the title, with UNI second.

The Mid-Continen schools have been prominent in athletic competition in past years, as well. Northern Michigan was an NCAA Division II football semi-finalist in 1977 and won the championship outright in 1975. Youngstown State, now a member of the Ohio Valley, made it to the 1977 basketball quarterfinals. Eastern Illinois placed third in the basketball tournament and Western Illinois finished third in the 1978 Division II track and field championships.

Northern Iowa captured the 1975 and 1978 Division II wrestling titles and reached the Division II football playoffs in 1975. UNI's track squad finished ninth at the 1978 championships and the cross country team placed in the top 10 in 1978. In 1979, Eastern Illinois was third and UNI fourth.

The Mid-Continen Conference, two and a half years in the making, has gone through some growing pains. Akron dropped to join the Ohio Valley two years ago and Youngstown State follows suit this year. Eastern and Western Illinois and Northern Iowa have opted to go Division I-AA, UNI starting the process last season with the rest joining this year, and Northern Michigan has decided to stay Division II. Southwest Missouri State will be a new league member beginning this fall, but will not be classified I-AA until next year.

Northern Iowa Bowl Appearances

1960 Mineral Water Bowl

Excelsior Springs, MO — Northern Iowa ran into a build-down from Hillsdale College (Ohio) which won the contest 17-6. The Panthers never really got going after finishing the 1960 season with a fine 9-0 record and winning the North Central Conference. This game marked the first time in history UNI (then Iowa State Teachers College) played in a bowl contest.

1964 Pecan Bowl

Abilene, TX — In the first NCAA-sanctioned Pecan Bowl, UNI scored an impressive 19-17 win over Lamar Tech behind a sensational performance by two-time All-American fullback Randy Schultz.

Schultz ran for 160 yds. on 38 carries and scored two touchdowns. He was named the outstanding back of the game and teammate Loren Buser received the outstanding lineman. The Panthers were 9-2 for the season and tied for the North Central title.
A proud tradition of athletics at UNI is the development of outstanding young people into productive citizens in our society. The following is as complete a list as is available of those young men who played or tutored under Stan Sheriff and staff who are now members of coaching and athletic professions. They are a tribute to the Panther staff and we salute each one of them.

The University of Northern Iowa

The University of Northern Iowa, one of the nation's leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. From a single building on a 40-acre campus, the University has grown to include over 40 major buildings, a 723-acre campus, over 500 faculty members and over 11,000 on-campus students.

During the first 27 years, the school issued teaching certificates requiring 12 years of existence, the Club raises just over $6,500. In 1978-79, a record $162,000 was raised and the goal for this year has been set at $200,000. Heading the Club this year is Wendell Lockard of Waterloo.

The Club is divided into five different levels of contributions. For a contribution of $1,000 or more, persons may join the V.I.P. Club. The Gold Club is for donations of $500, the Purple Club $250, the Century Club $100 and the Coaches Club $50. Special pre-game and post-game parties are held for the entire membership as well as golf outings, picnics and other special events.

The UNI Athletic Club Board of Directors is made up of area men who are engaged in industry, the professions and agri-business. They are leaders in the Club's fund-raising efforts, and are representatives of the commitment being made to the UNI athletic programs.

The UNI Athletic Club — Boosting the Panthers

The UNI Athletic Club, now in its 17th year of existence, is a non-profit organization with the sole purpose of encouraging and supporting the athletic programs at UNI. All money raised by the Club is used exclusively for athletic scholarships and the operation of the Club. Funds are not used for budget expenditures or for building costs. The money helps UNI student-athletes obtain an education.

Intercollegiate athletics is a worthwhile activity at any college or university. At UNI, there is competition in 10 sports, involving several hundred young men. Membership in the Club helps these teams achieve their objectives: winning seasons and a meaningful experience for those who compete.

In its first year of existence, the Club raised just over $6,500. In 1978-79, a record $162,000 was raised and the goal for this year has been set at $200,000. Heading the Club this year is Wendell Lockard of Waterloo.
