*Returning lettermen.
On the Cover: Head Coach Chris Bucknam (seated) and (left to right) — Troy Becker, Todd Goodell, Steve Weaver, Steve Gearhart, Brooks Glasnapp, and Doug Case.

The Panthers will continue to be “building on quality” in the 1986 track and field season. The UNI men have dominated action in the Association of Mid-Continent Universities (AMCU-8) since 1982. The Panthers have won or shared eight Mid-Continent league titles over the past four years, including three cross country championships, three outdoor track championships, and the first two indoor track championships held so far.

Over the course of those years, the Panthers have rewritten the school record books with 12 new UNI indoor track records, four new UNI-Dome records, 12 new UNI outdoor track records, and 10 new UNI freshmen records.
A lot of familiar faces are gone from the Northern Iowa men’s track and field roster in 1986, but don’t let the youthful appearance of the Panthers this season fool you. Seventeen lettermen are back for Chris Bucknam’s second season at the helm of the Panthers, and there’s also 21 freshmen on a 50-man UNI squad after one of the best UNI recruiting years ever.

The list of seniors lost from the Panthers’ 1985 squad reads like a lengthy honor roll. No longer wearing the purple and gold are Russ Adams, school record holder in the pole vault and UNI’s first national Division I qualifier ever; Solomon Anderson, a UNI record holder and AMCU-8 800 meters champion; Paul Egger, an AMCU-8 1,000 meters champion; Dan Fick, a three-time all-conference cross country performer; Brian Glassmaker, UNI record holder in the mile run; Jim Kindig, an all-conference triple jumper, high jumper, and decathlete; Chris Leonard, an AMCU-8 champion last year in the 5,000 and 10,000 meters and holder of three school records; and Burt Marlowe, an all-conference steeplechaser. Other non-seniors not returning for the 1986 campaign are all-conference performers Rob Lathrop (hurdles) and Carl Burrell (middle distance).

“We lost a tremendous amount of talent, and it will take time to replace them even with our excellent recruiting class,” commented Bucknam.

But despite the losses, the Panthers’ cupboards are not bare with school record holders Brooks Glasnapp (400 meters), Steve Weaver (high jump), and Doug Case (400, 800, and 440 relays), Joe Fuller (60 and 100 dashes, 400 and 800 relays), and AMCU-8 champions Weaver, Troy Becker (pole vault), John Place (84 decathlon), and Todd Goodell (two-mile run) back for another campaign.

Other all-conference honorees returning for the Panthers include long sprinters Brad Bartelt and Jim Grebin, middle distance men Steve Gearhart, Tim Harris, and Pat McDaniel, jumpers Wayne Simon and Rod Wiese, javelin thrower Scott Sloan, shot putter and discus thrower Kelly Tagtow, and hurdler Eric White.

“We feel we have a good nucleus of returning athletes along with a very talented group of newcomers,” said Bucknam. “We’re very excited about our prospects.”

Some of the top newcomers inked by the UNI staff in an outstanding recruiting year were hurdlers Joel Hartman (state champ from Cedar Rapids Kennedy) and Blake Wilkinson (C.R. Jefferson), middle distance men Jeff Burris (state champ from Ames), Kent Terrillion (state champ from Marshalltown), Mike Irvine (state champ from Iowa City Regina) and Scott Jackson (Woodstock, IL), long sprinter Joel Snell (Cedar Falls), distance runners Dan Hostager (state champ from Audubon) and Tom Penningroth (state champ from Tipton), high jumpers Brent Wright (state champ from Ballard-Huxley) and Mike Raffensperger (Iowa City), shot put/discus thrower Larry Hartman (state champ from St. Louis Park, MN), and pole vaulter Michael Heidecke (Elmhurst, IL/York).

“In our recruiting, we went after the best athletes that we could,” Bucknam explained. “We may still lack depth in some areas, but as a whole, if we continue to get top athletes in each area, we will improve.”

The Panthers captured the team title at last season’s AMCU-8 indoor meet held in the UNI-Dome, but saw their string of eight straight league cross country or track championships snapped at last spring’s outdoor AMCU meet at Eastern Illinois. In a tight race at the outdoor meet, Eastern Illinois (181) and Western Illinois (172) narrowly bumped the Panthers (170) into third place.

“Parity in our conference has really increased,” Bucknam said. “Teams are more equal now than ever, and every school is strong
in a particular area. The league meets will always be close from here on. We felt we had the best team outdoors last year, but we were extremely disappointed because we let down in a few areas."

While the 1986 AMCU-8 indoor meet is again slated for the UNI-Dome on March 1-2, the league outdoor meet moves this spring to Western Illinois on May 1-3. However, the Panthers should enjoy the trek to Macomb, remembering it as the site of their last three conference outdoor track championships.

The Panthers also compete in the Central Collegiate Conference championships this spring, involving most of the Big Ten, Missouri Valley, and Mid-American Conference schools. In their first CCC meet last spring outdoors, the UNI men finished 10th. This season, the CCC indoor meet is slated for February 14-15 in Madison, WI, while the outdoor meet is scheduled for May 30-31 in Chicago, IL.

“Our number one goal is always to win the AMCU-8 title,” Bucknam commented. “In the Central Collegiates, we want to be in the top ten indoors and improve on our tenth place outdoor meet finish from last year.”

Including the AMCU-8 meet, the Panthers host six indoor meets in the UNI-Dome this season. Outdoors, the Panthers road slate includes a dual with the University of Iowa April 12 and the rugged Kansas Relays April 17-19 and Drake Relays April 24-26.

The UNI-Dome
One of America’s Premier Indoor Facilities

UNI supporters and the entire State of Iowa realized a dream come true with the completion of the UNI-Dome — a completely covered, multi-purpose facility with an air-supported roof — in February of 1975.

UNI-Dome, the prefix standing for the University of Northern Iowa, as well as meaning unique, combines the features of three buildings — a football stadium, fieldhouse and large auditorium. It hosts such events as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball, and softball games and wrestling and track meets.

Multi-Purpose Use
The UNI-Dome was designed with “something for everyone.” Its artificial turf for football games and practices can be rolled up in 45 minutes. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games can take place simultaneously at the field level.

Approximately 16,400 spectators can be seated for football and 8,500 for court-side activities. For stage activities, such as commencement, concerts and artist or speaker series, total capacity — using movable bleachers and folding chairs — can reach 25,000.
Head Coach Chris Bucknam

Chris Bucknam begins his second season at the helm of the Panthers' track and field and cross country team. He was named UNI's head coach in August of 1984 after serving as an assistant under head coach Lynn King for five seasons.

Bucknam led the Panthers to championships in cross country and indoor track in his first season, while receiving Association of Mid-Continent Universities (AMCU-8) Coach of the Year honors as the indoor championships. The UNI runners tied Southwest Missouri State for the league cross country title, while winning the first AMCU-8 indoor meet held in the UNI-Dome. The Panthers placed third at the AMCU outdoor championships held at Eastern Illinois, finishing only 11 points behind league champion EIU and only two points behind runnerup Western Illinois.

Under Bucknam's tutelage last year, 12 Panthers were crowned league champions, including pole vaulter Russ Adams, who shattered the UNI school record with a leap of 17' 4½" and became UNI's first qualifier ever for the Division I national championships.

Since Bucknam's arrival at UNI in 1979, the Panthers have won or shared eight conference championships in cross country and track, including three cross country championships, three outdoor track titles, and the only two indoor track championships held so far.

A native of Beverly, MA, Bucknam attended Norwich University in Northfield, VT, where he was a four-time letterwinner in track, specializing in the middle and long distance events. He was elected co-captain his senior year and graduated from Norwich in 1978 with a bachelor's degree in physical education. He earned a master's degree in physical education in 1982 from UNI.

Bucknam and his wife, Cindy, reside in Cedar Falls.

Assistant Coach Bill Lawson

Bill Lawson, former four-time Northern Iowa All-American decathlete, was named the Panthers' assistant men's track and field coach last year.

Lawson, a 1980 UNI graduate, was in his senior year with the Panthers when current UNI head coach Chris Bucknam was named as the school's first full-time track assistant in 1979. A UNI school record-holder in the triple jump and decathlon, Lawson was a two-time co-captain for the Panthers. The Carthage, IL, native qualified for national competition in the decathlon, pole vault, and triple jump for four years.

Lawson returned to the Panthers last year after serving three years as boys' track, girls' cross country, and girls' basketball coach at John Marshall High School in Rochester, MN. His specific duties with the Panthers include coordinating the Panthers' fall track program and conditioning and coaching the field events and decathlon during the indoor and outdoor track seasons.

Under his field events coaching last year, the Panthers produced league champions Russ Adams (outdoors) and Troy Becker (indoors) in the pole vault and Steve Weaver in the high jump.

Lawson also teaches in the physical education department at UNI.

UNI in the Mid-Continent

Since the formation of the Mid-Continent Conference in 1978, UNI has never finished lower than third place in a MCC or AMCU league track or cross country meet. In the 16 Mid-Continent meets held through 1985, the Panthers were champion nine times and runnerup five times.
