Equity Statement: The University of Northern Iowa is an equal opportunity educator and employer with a comprehensive plan for affirmative action.
WESTERN WRESTLING CONFERENCE ENTERS ITS SECOND SEASON OF EXISTENCE

The Western Wrestling Conference, an NCAA Division I wrestling-only alliance, will begin its second season of existence after a solid start in the 2006-07.

The WWC enjoyed plenty of success in 2006-07, which included sending 19 wrestlers to the 2007 NCAA Wrestling Championships. The first WWC tournament took place under the title of NCAA West Regional on March 3 in the McLeod Center on the University of Northern Iowa’s campus. The goal of the league is to replace the West Regional with the conference tournament, which would then serve as the NCAA qualifier.

The 2008 NCAA West Regional/Western Wrestling Conference tournament will take place March 8, 2008, in Fargo, N.D.

The 2007 West Regional served as the first national qualifier for three schools making the move from Division II to Division I. North Dakota State, South Dakota State and Northern Colorado all sent wrestlers to the NCAA Championships for the first time since reclassifying to Division I. Utah Valley State is also a reclassifying institution but will not be eligible for the postseason until the 2009-2010 season.

“We are happy with this new conference affiliation for our wrestling program,” UNI Director of Athletics Rick Hartzell said. “At UNI, we strive to have a national top-10 program and we think this league affiliation will continue to allow us to have a strong wrestling program that can reach those lofty aspirations.”

With league members spread out over six states and two time zones, schools will only be required to compete against four league schools in dual action to be eligible for the regular season conference championship. Schools will be encouraged to schedule as many conference schools as possible.

The WWC recognizes student-athletes on both a weekly and full-season basis. Individual awards include Wrestler of the Week; All-Conference teams; an Academic All-Conference team; and Wrestler, Newcomer and Coach of the Year awards. The league also crowns a team champion following the conclusion of the regular season conference competition and the postseason tournament.

The University of Northern Iowa was crowned the inaugural champion of both the regular season and postseason tournament. UNI swept the three major awards as well by winning Coach of the Year (Brad Penrith), Wrestler of the Year (Nick Baima) and Newcomer of the Year (Kyle Anson).

The governance of the Western Wrestling Conference will remain primarily with the member institutions. Scheduling of contests, assignment of officials and certain media relations functions will remain with member institutions.

One of the major benefits of having a league spread out so far is the added exposure – both in terms of media and recruiting - in new destinations. The conference affiliation is also expected to generate much interest within the seven schools’ substantial alumni base, which numbers nearly 800,000 combined.

Charter members of the Western Wrestling Conference include: the United States Air Force Academy, North Dakota State University, the University of Northern Colorado, the University of Northern Iowa, South Dakota State University, Utah Valley State College and the University of Wyoming.

Benjamin J. Allen was named the ninth president of the University of Northern Iowa on April 28, 2006. President Allen assumed the duties of president at UNI on June 5, 2006.

Most recently, Dr. Allen was the Vice President for Academic Affairs and Provost at Iowa State University and was responsible to the President for all aspects of the academic programs of Iowa State.

Before joining the faculty at Iowa State University in 1979, Dr. Allen taught at Washington State University and was a Brookings Economics Policy Fellow in the Office of Transportation Regulatory Policy, U.S. Department of Transportation.

He served as chairman of the Department of Transportation and Logistics at Iowa State from 1984 to 1988. In 1988 Dr. Allen was named the first University Distinguished Professor in Business at Iowa State University.

From 1988 to 1990 he served as Director of the Midwest Transportation Center, a research consortium consisting of Iowa State University and The University of Iowa.

He was the Visiting McKinley Professor of Economics and Public Utilities at the University of Illinois during the 1986-87 academic year and also held the Oren Harris Chair in Transportation at the University of Arkansas during the 1990-91 academic year.

Dr. Allen has also been a consultant for various private corporations and public agencies throughout his career. He served as Dean of the Iowa State University College of Business 1994-2000. During 2001-2002 he served as Interim Vice President for External Affairs.

He earned his bachelor degree in business economics from Indiana University, and both his master’s and doctorate in economics from the University of Illinois.
Rick, Jill and Jackson Hartzell

Director of Athletics

Now in his ninth year as Director of Athletics at the University of Northern Iowa, Rick Hartzell has overseen unparalleled success and growth for the Panthers athletics program. He was named the university’s fourth full-time director of athletics since joining the Division I ranks on August 9, 1999.

Take some time to talk to Hartzell, and his passion for UNI athletics – and college athletics in general – comes across loud and clear. His love for the Panthers should be no surprise, as he was a UNI student-athlete during the mid-70s, and was able to come back home in 1999 to lead his alma mater’s athletic program into the 21st century. He also believes strongly in the “student” part of the term student-athlete, and understands the importance of shaping well-rounded individuals for a life after competitive athletics are over.

His dedication to the UNI athletics was rewarded this past June as he was named one of 29 winners of the AstroTurf AD of the Year by the National Association of Collegiate Directors of Athletics (NACDA). Hartzell was honored by being the Football Championship Subdivision (FCS) recipient for the central region.

This past year, UNI teams claimed four conference or regional championships. The Panthers posted a third place finish in last year’s Missouri Valley Conference all-sports standings – their second highest finish. UNI’s men’s and field finished ninth at the NCAA Indoor Track and Field championships in March 2007, highest finish ever. The Panther volleyball team advanced to the second round of the 2006 NCAA tournament, while wrestling won its 22nd straight West Regional title and advanced six wrestlers to the NCAA championships. In addition, UNI’s 431 student-athletes shined in the classroom, holding a combined spring cumulative grade point average of 3.00.

The list of individual and team athletic successes since Hartzell took over at UNI is long and distinguished. The football team has claimed three conference titles the past five seasons, and advanced to the NCAA FCS championship game in 2005. The men’s basketball team won its first-ever Missouri Valley Conference championship in 2004, and made three straight NCAA tournament appearances – including at-large bids in both 2005 and 2006. UNI volleyball has won seven of the past nine conference championships, and made three appearances in the NCAA tournament’s Sweet 16 during that span. Panther wrestling crowned its first Division I national champion in 2000, and has placed as high as 11th in the national tournament. Track and field and cross country have claimed numerous conference titles, including the last eight indoor men’s crowns, and baseball made its first-ever NCAA tournament appearance in 2001, winning the rugged MVC crown. In fact, no less than 10 sports have seen teams or individuals in postseason action since Hartzell came back to the Cedar Valley.

The success on the field has been a direct result of Hartzell’s hiring of quality head coaches during his tenure, many with Iowa and UNI ties. Mark Farley (football), Bobbi Petersen (volleyball), Greg McDermott and Ben Jacobson (men’s basketball), Brad Penrith (wrestling), Rick Heller (baseball), Sachin Kirtane (women’s tennis) and Tanya Warren (women’s basketball) are among the coaches that Hartzell has brought to UNI, with most garnering conference or regional championships and NCAA postseason appearances.

Off the field, UNI student-athletes have shined academically as well. UNI’s overall student-athlete graduation rate is among the leaders in the Missouri Valley Conference and Gateway Football Conference. UNI’s overall student-athlete cumulative grade point average has risen dramatically, to an impressive 3.0 after the spring 2007 semester for more than 400 student-athletes. The Panthers had numerous student-athletes that earned academic all-conference honors in 2006-07.

UNI’s overall athletic success has been a constant under Hartzell. The Panthers have ranked in the top 100 of the U.S. Sports Academy Director’s Cup standings six of the past eight seasons, including twice in the top 70. UNI is consistently among the top schools nationally in the all-sports rankings among those that sponsor FCS football.

Hartzell has been a key figure involved in several facility upgrades, including the development of the McLeod Center, which opened in November 2006. The McLeod Center houses the men’s and women’s basketball programs, and volleyball and wrestling teams. Another new aspect added to the McLeod Center is a panther statue that will be located west of the Eldon Miller Plaza.

In addition, Hartzell has overseen the effort to turn the UNI-Dome and McLeod Center into an economic development site for the Cedar Valley, by garnering concerts and other special events to campus. Other key fund-raising initiatives include the construction of a new football locker room, weight room and enhancements to the outdoor track. The Human Performance Center located to the north of the UNI-Dome will be completed this fall. The strength and conditioning center will be expanded as well.

Another key effort spearheaded by Hartzell was UNI’s radio and television agreements. Panther football and men’s basketball have local television contracts for TV with KFXA (Fox 28), and for radio with KXEL (1540 AM), each of which was renewed for multiple years in 2004. UNI women’s basketball and volleyball is currently carried by KWLO (1330 AM) radio, and is one of the only schools in the Midwest to have a regular-season home for volleyball.

Hartzell has helped guide the university through the NCAA’s certification process, and overseen the addition of women’s soccer to varsity status. He was a key player in the recent cooperative merger with UNI’s Health, Physical Education and Leisure Services (PELS) department, bringing the athletic training and strength and conditioning programs under one umbrella with the university.

A past president of the Gateway Football Conference athletic directors, he is currently vice-president of the Missouri Valley Conference administrators. He also serves as chair of the MVC sportsmanship committee, as well as serving as a member of the officiating committee and the centennial celebration committee. He recently received the All-American Football Foundation’s General Robert Neyland Outstanding Athletic Director Award.

In addition, Hartzell is a highly-respected NCAA Division I men’s basketball official, having worked games for the ACC, Big Ten and Conference USA among other conferences, and officiated numerous NCAA tournament games. In 2007, Hartzell was named to the NCAA Division I Men’s Basketball Rules Committee and will serve a four-year term.

Prior to being named at UNI, Hartzell had served as director of athletics at Bucknell since 1988, directing a Division I program with FCS football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Hartzell played football and baseball for the Panthers. He received his bachelor’s degree in physical education and English from UNI in 1974, and his master’s in educational administration in 1977. A native of Klemme, Iowa, he was a five-sport letterman at Klemme High School.

Hartzell’s personal interests include reading, fitness, auto racing and spending time with family and friends. He has three children, Nate, who works for Young Plumbing and Heating in Waterloo; Amanda Hartzell Barkhurst, who owns and operates Centennial Stables in Waverly; and Jackson, who was born Jan. 16, 2007. Hartzell and his wife, the former Jill George, a Doctor of Chiropractic and owner of Hartzell Family Chiropractic in Waterloo, reside in rural Cedar Falls.
This is UNI

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master’s, specialist’s and doctoral levels.

UNI’s heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students with individualized attention, yet large enough to provide a variety of resources, including distinguished faculty. UNI’s special combination of challenge and support is indeed a key ingredient of a “Students First” education.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa’s Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 12,260 students in the fall of 2006. Students come from every county in Iowa, and about 94 percent of UNI’s undergraduate students are residents of Iowa upon enrollment.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

One of the most important aspects of a future productive life is your education. Fortunately, this education period comes early in life while you have the time and energies necessary to accomplish this very worthwhile goal. Obtaining a college education and ultimately a degree is the student-athlete’s responsibility. The education process means managing your time wisely so that the educational, athletic and social aspects of your life have an appropriate share of time.

At given times, students may find it necessary to ask for help in accomplishing an educational task. At UNI, the following services are available to students for obtaining guidelines and/or specific help.

**EDUCATIONAL OPPORTUNITY PROGRAM**

The mission of the educational opportunity program is to provide supportive services which are essential for the identification, recruitment, retention and graduation of minority and educationally disadvantaged students who traditionally have not had equal access to higher educational institutions. Services provided to participants include:

- Academic and career counseling

- Financial aid counseling and advising
- Personal counseling
- Course selection and registration
- Educational planning

In order to be an EOP participant, the student must be a minority student or be educationally disadvantaged, as evidenced by having an ACT score of 15 or less and/or placing in the bottom half of his/her high school graduating class.

**ACADEMIC COUNSELING**

An advisor has been assigned responsibilities across the athletics department and will assist you in:

- Scheduling
- Choice of major
- Selection of a major advisor
- Tutorial services
- Maintain satisfactory progress toward a degree

The athletics academic advisor works closely with the university’s academic advising services to provide a variety of services to help students achieve their personal, career and academic goals. Professional and peer advisors help students:

- Prioritize life/professional goals
- Utilize university resources
- Select appropriate courses
- Resolve academic difficulties
- Interpret institutional academic requirements

The reading/learning strategies program provides many services for students, including free four-week courses in:

- **Speed-reading:** double your reading rate

He also assists with UNI’s student life initiatives.

Prior to UNI, Schofield served as assistant athletics director for compliance at Florida State University. At FSU, his duties included coordinating financial aid, rules interpretations, NCAA and Atlantic Coast Conference waivers, rules education and investigating and reporting secondary violations.

Schofield has a wide and varied background, as he has also served in the athletic department compliance offices at Maryland and Minnesota. A native of Odebolt, Iowa, Schofield received his bachelor’s degree in general studies from UNI in 2000, and a master’s degree in higher and postsecondary education from Arizona State in 2003.

Jennifer Sell

STRENGTH AND CONDITIONING

The UNI strength and conditioning program is a blend of science, technology and one-on-one attention to each student-athlete.

Throughout the year, UNI athletes can spend more time working on strength and conditioning than any other aspect of their game. During the off season, athletes work on strength improvement, speed, power, agility and conditioning. The in season program is devoted to continuation of strength gains and performance-related conditioning.

Throughout an athlete’s first year on campus, baseline measurements of strength, speed, power, agility, flexibility and endurance are collected. Measure of body composition and weight are also recorded. With this information, goals are set for development and maintenance. Programs are established for each athlete.

Jed Smith
Strength and Conditioning Coach

Jed C. Smith is beginning his third season as the Strength and Conditioning Coach for the UNI Panthers. Smith joined the UNI coaching staff in June 2005.

In the spring of 2006, Smith coached current UNI football student-athlete Jason Fiacco when he took part in the 2006 Pan American Junior Championships in Cali, Colombia. Fiacco qualified for the event at the United States National Junior Championships on March 15 in Altamonte Springs, Fla. Fiacco placed second in both the Snatch and Clean & Jerk heavyweight competitions. Fiacco lifted 138 kg in the Snatch and 178 kg in the Clean & Jerk.

Prior to his work with the Panthers, Smith served as the Explosive Strength Training Coach for the National Football League’s Minnesota Vikings from February 2004 to June 2005.

Smith has a wide and varied background in strength and conditioning training. In addition to his work with the Vikings, he also assisted the Minnesota Wild of the National Hockey League, the Minnesota Thunder of the United Soccer League and Penn State football in an effort to incorporate explosive strength training into their individual programs.

Beginning in June of 2002, he was an Exercise and Sports Science instructor at Dakota County Technical College in Rosemount, Minn., and also served as the Minnesota USA Weightlifting Regional Training Center director during the same time frame.

Prior to 2002, he had several coaching assignments at Rosemount High School beginning in 1998, including ninth grade boys basketball and wrestling. He served as Rosemount’s strength training and conditioning coach for all sports from 1997-2002, was head boys tennis coach from 2000-2002, and coached the school’s Olympic weight lifting from 1999-2002.

Smith earned his bachelor’s degree in social science from Minnesota-Morris in 1994 and a second bachelor’s degree in psychology in 1995. He received his master’s in education with an emphasis in strength and conditioning from Hamline University in 2003.

He was born in Cedar Rapids, Iowa, and his wife’s name is Tammy.
The University of Northern Iowa Panthers' wrestling team returns four national qualifiers from a year ago and will lean heavily on their guidance with the influx of freshmen ready to contribute.

"You are going to see a lot of new faces this season," UNI head coach Brad Penrith said. "There could be times this year when we have six freshmen in the starting lineup."

UNI will still lean heavily on its upperclassmen to lead the young Panthers into battle. Serving that leadership role will be the four returning national qualifiers C.J. Ettelson (141 lbs.), Moza Fay (165 lbs.), Alex Dolly (174 lbs.) and Andrew Anderson (197 lbs.) along with seniors Justin Swafford (149 lbs.) and Danny Dunning (184 lbs.).

Despite a pair of disappointing finishes at each of the past two NCAA wrestling national championships, UNI is poised to return to the upper echelon of collegiate wrestling. Penrith recruited a top-10 class for the 2007-08 season and many of those wrestlers could make an immediate impact this year.

"The past two NCAA tournaments were not what we wanted, but we have to put that behind us," Penrith said. "We've had really intense preseason workouts. We are going to be pretty scrappy this year."

Penrith's squad returns 11 letterwinners and six starters from a year ago. The Panthers dual mark may take a hit early on but only because Penrith will not shy away from contending with the nation's best in head-to-head matchups. UNI will take on Wisconsin, Iowa, Iowa State and Oklahoma State in dual matches in 2007-08.

For the third time in as many years the Panthers will host the NWCA/Cliff Keen National Duals Jan. 12-13 in the UNI-Dome. UNI drew 15,190 fans to the UNI-Dome for last year's two-day event and Penrith expects the same type of support this year.

"This event has made great strides over the past two years," Penrith said. "Iowa is a hotbed for wrestling and having this national event in the UNI-Dome is a perfect spot geographically to draw folks from around the nation to watch the best teams compete for each division's respective dual championship."

UNI will also look to extend its dominance in the West Regional. The Panthers have won 22 straight team titles at the regional level and will look to make it 23 in a row March 8, 2008, in Fargo, N.D.

125
The Panthers expect redshirt freshman Caleb Flores (Rosemead, Calif.) to make the jump to the starting lineup. Flores used his redshirt season to build up his strength and stamina and will contribute this year. Flores captured the 125-pound championship at the 2007 National Junior O'Varsity tournament in Dubuque, and then placed sixth in the nation at the Junior FILA tournament in Las Vegas.

True freshman Cruise Aarhus (Cedar Rapids, Iowa) is expected to redshirt this season. Sophomore Grant Ruge (Fort Dodge, Iowa) will sit out the 2007-08 season after undergoing ACL surgery.

133
Penrith looks to have found a diamond in the rough at 133 pounds with the addition of true freshman Trent Washington (Omaha, Neb.). Washington was the jewel of the Panthers' 2007 recruiting class. Washington was a two-time Nebraska state champion, and was ranked No. 9 in the nation at 140 pounds by W.I.N. Magazine coming out of high school.

"I've never had a kid come in to our program with this kind of talent," Penrith said.

Junior Mike Whisler (Centerville, Iowa) will serve as a backup to Washington. Whisler posted three wins last year while filling in at 141 pounds.

141
Senior C.J. Ettelson (Hudson, Iowa) looks to become a four-time national qualifier this year at 141 pounds. Ettelson has won five matches at the national tournament in his previous three appearances, including a trip to the round of 12 in 2006. Ettelson has compiled a career mark of 80-37 heading into the 2007-08 season.

"C.J. was wrestling phenomenally well last season until he injured his knee at the National Duals," Penrith said. "We determined he should have surgery rather than risk further injury later in the year. C.J. had the surgery but wasn't at his peak at the West Regional. When he's healthy and wrestling to his ability he is an All-American. Now it's a matter of getting it done at the national tournament."

UNI looked to have Brett Robbins (Bloomington, Ill.) available as a reserve at 141 pounds, but he underwent Tommy John elbow surgery and will be out for the 2007-08 season.

149
Senior C.J. Ettelson (Hudson, Iowa).

Out of those two, Panther fans could also see redshirt freshman Trevor Kittleson (St. Ansgar, Iowa), freshman Jamal Lawrence (Merrillville, Ind.) or redshirt freshman Nick Pickerell (Albia, Iowa) on the mat.

"We have a really good group of guys at 149," Penrith said. "We won't know who will battle until the wrestle-offs and the open tournaments are over," Penrith said.

157
A trio of redshirt freshmen will battle for the 157-pound starting slot. Jarion Beets (Cedar Rapids, Iowa), Seth Pugh (Columbus Junction, Iowa) and Tyson Reiner (Mitchell, S.D.) are all in contention and will battle throughout the season to determine who will represent the squad at the West Regional.
165
Junior Moza Fay (Anamosa, Iowa) will move up a weight to 165 pounds after qualifying for nationals last year at 157 pounds.

"Moza is making the move to 165 with the NCAA tournament in mind," Penrith said. "We think he has the strength and the stamina to be a top competitor in the nation at 165 pounds. When he had to cut weight the past two years it may have taken away some of his overall strength. This looks to be the ideal weight for him."

Fay has put together back-to-back seasons with 30-plus wins and will look to make it three in a row this season. Fay went 30-8 as a redshirt freshman in 2005-06 and then tallied a mark of 35-10 as a sophomore. Fay won three matches at the 2007 NCAA Championships before falling in the Round of 12 to Stanford's Josh Zupancic, 7-5.

Fay is ranked as high as No. 5 in the nation in the preseason 165 rankings.

174
Senior Alex Dolly (Mishawaka, Ind.) is a two-time national qualifier and he reached the Round of 12 in 2005. Dolly is 41-39 in his UNI career and bounced back from a neck injury that kept him out of the 2005-06 season with a return trip to nationals in 2007-08.

"Alex is another one of our guys who has sustained injuries but keeps his competitive fire alive," Penrith said. "Here is a guy who was one match away from being an All-American as a junior before he had his neck injury. It's to his credit that he was able to get back to the national tournament last year."

184
The 184-pound class appears to be a three-way challenge between senior Danny Dunning (Waterloo, Iowa), sophomore Scott Hazen (Underwood, Iowa) and redshirt freshman Andy O'Loughlin.

"Dunning came on strong at the end of last year and we'll need him to recapture that effort," Penrith said.

197
Senior Andrew Anderson (Sioux City, Iowa) is a two-time national qualifier at 197 pounds and will look to make his third trip to the NCAA Championships this March. Anderson has the potential to an All-American and has shown flashes of brilliance throughout his career, including a top-six finish at the Midlands in 2005 and 2006.

"Andrew is one of the strongest guys on the team," Penrith said. "Having the experience of two years at the national tournament under his belt will be a huge confidence boost for him. He has already proven he can compete against the best in the nation with his performances at the Midlands the past two years."

285
Redshirt freshman Dustin Bauman (Stratford, Wis.) and true freshman Christian Brantley (Homewood, Ill.) will vie for the starting heavyweight slot.

"We've got some talented youth at the heavyweight spot and having (asst. coach) Tolly Thompson working with these guys will boost their confidence and knowledge," Penrith said.
Brad Penrith begins his eighth season at the helm of the University of Northern Iowa wrestling program. Penrith heads into the 2007-08 season boasting of four returning national qualifiers and a No. 9-ranked national recruiting class.

Penrith earned Western Wrestling Conference Coach of the Year honors in 2006-07 after leading the Panthers to their 22nd straight regional championship. Penrith also guided the squad to a perfect 4-0 mark in dual competition in the WWC to also earn the regular season dual conference title.

A former University of Iowa all-American and national champion, Penrith was named head coach on June 21, 2000, becoming only the ninth wrestling coach in the program's history. In his first seven seasons at the helm, he has a record of 63-52-3 and has sent 53 wrestlers to the NCAA National Championships.

In 2005, Sean Stender became the first UNI wrestler since Justin Greenlee in 1995 to three-peat at the National Tournament, placing second at 197 pounds. Eric Hauan made his fourth and final trip to the NCAAs, earning all-America honors for the second consecutive season at 174 pounds.

Having been affiliated with the Panther program since 1997, three of those years as an assistant coach, Penrith has been instrumental in securing six Top 25 recruiting classes. Penrith took the 2007 recruiting class back to national prominence as it was ranked No. 9 in the nation. In all of Penrith's seven seasons, UNI has been ranked in the top 15, with a high of fourth in the nation in 2004.

During his three seasons as an assistant coach, the Panthers posted their first winning dual record in six years in the 2000 season with a record of 10-5-2 and placed 11th at the NCAA Championships.

Penrith is the first to comment on his fellow coaches and their dedication to UNI wrestling.

"I have one of the best coaching staffs in the country," Penrith said. "A lot of head coaches have to micro-manage their assistants and I don't have to do that; I am very fortunate. Each one of these guys has grown and matured and become a better coach since joining UNI's staff. You can't ask for anything more than that."

Penrith is renowned as an excellent technician and recruiter. He has been involved with USA Wrestling at several levels of coaching and in the summer of 1999, he was the head coach of the United States team that competed at the Junior World Freestyle Championships in Sydney, Australia, which took the Bronze Medal in the team competition.

In Penrith's five seasons coaching the lighter weights at Nebraska, the Huskers crowned 12 all-Americans and two national champions. Nebraska also won the Big Eight Conference title twice. As a team, Nebraska posted top 10 finishes at the NCAA's three times, including third in 1993, and had the top-rated recruiting class in the nation in 1996.

A native of Windsor, N.Y, Penrith was a four-time state placerwinner in high school, including winning the state title as a sophomore in 1981. He was named the Outstanding Greco-Roman Wrestler at the 1983 Junior Nationals.

He and his wife, Laura, have two sons, Gabriel (9) and Jacob (7), and a daughter, Grace Marie (4).
Assistant head coach Randy Pugh will enter his fourth season as top the assistant. Pugh was promoted in the middle of the 2003-04 season. Pugh hails to Penrith’s staff following an outstanding athletic career at the University of Northern Iowa.

In his six seasons as a coach, Pugh, a former Panther all-American, helped develop all-Americans Eric Haun (174), Kyle Hansen (184), Jason Payne (197), Sean Stender (197) and Paul Hynek (285).

When head coach Brad Penrith took over six years ago, the Columbus Junction, Iowa, native was a natural choice.

“Randy was a great student-athlete here at UNI,” Penrith said. “When he was one of my wrestler’s, we had a bond for a student-coach relationship. Now as a coach, he relates to all the guys on the team. He has great head on his shoulders and does a great job in the wrestling room.”

“I’ve said a thousand times, Randy came into this program working his tail off when he was a senior, becoming one of the leaders,” Penrith said. “It has carried over to him being a leader as a coach. He has great head on his shoulders and does a great job in the wrestling room.

While coaching for the Panthers, he has been training for international competition as an 85 kg. freestyle wrestler. Pugh finished in fourth place at the USA World Trials in June 2002 and competed in the Trials again in 2003. In 2002, he won the Sunlight International Open and garnered a third-place finish at the U.S. Open. In 2003, Pugh again achieved All-American status as he placed 8th at the U.S. Open. He also placed third at the Dave Schultz Open in 2003.

As an athlete at UNI, Pugh finished fourth at the 2000 NCAA Tournament at 174 pounds, capping a senior season in which he compiled a 26-4 record. He was ranked as high as third nationally after upending top-rated Otto Olson at the Virginia Duals.

Pugh was a state high school champion his senior year at Columbus Junction before enrolling at the U.S. Naval Academy, where he compiled a 16-6 record his first year. After transferring to UNI in 1998, he went 54-9 in two seasons for the Panthers, giving him a 70-17 career mark.

For Pugh, the biggest change from competing on the mat to coaching his former teammates is motivating others.

“When I was on the mat, I was doing what it took to make myself a better athlete,” Pugh said. “But as a coach, I am more concerned with what others are doing and helping them improve.”

Pugh not only was a leader in the wrestling arena but also in the classroom. He graduated with a degree in Industrial Technology.

Pugh’s goal for the Panthers is for the athletes to improve every match out and continue to be good student-athletes.

He and his wife, Krista, are the parents of a daughter, Hayden.

Former Nebraska all-American Jose DeAnda is entering his eighth year as a Panther assistant coach. DeAnda was promoted to second assistant on Penrith’s staff in 2003. His main responsibilities include training the lighter weights and recruiting.

DeAnda went 28-9 at 141 pounds his senior year for the Huskers in 1998-99 and spent the 1999-00 season as a coach with the Husker Wrestling Club.

He finished his collegiate career second in the Big 12 Championships and placing eighth at the NCAA Tournament. As the 10th seed at the national championships, DeAnda posted a 3-3 record in his first NCAA appearance. He also was named the team’s most dedicated wrestler.

“I always say that Jose is my utility man but he has become more than that. He gets involved with the guys personally and they feel able to talk to him about personal matters,” Penrith said. “He’s always working with them in the room and making sure they are doing the right things with their weight. The guys have great respect for Jose and that makes my job so much easier.”

A South Sioux City, Neb. native, DeAnda was ranked as sixth nationally during the season. Penrith recruited DeAnda to Nebraska and coached him for three seasons in Lincoln while a Husker assistant coach.
Former NCAA champion and Janesville, Iowa, native Tolly Thompson is beginning his seventh overall season as Panther assistant coach.

He was promoted during the 2003-04 season on head coach Brad Penrith’s staff. Thompson joined the Panther staff as the team’s Conditioning Specialist in the 2002-03 season. He returned to UNI after two years as the strength and conditioning coach at Nebraska. He was a member of the Panthers’ coaching staff during the 1999-2000 season as a volunteer assistant.

Thompson, 35, brings a wealth of international experience to the Panther wrestling room, after being named the winner of the 2005 John Smith Award as the Freestyle Wrestler of the Year by USA Wrestling.

Thompson represented the United States for the second straight season at the World Championships after taking first-place honors at the 2006 U.S. World Team Trials in Sioux City, Iowa.

"There is nothing better than winning," Thompson said. "The bottom line is competition and winning. My job is to win a world title and develop the young guys around the (UNI wrestling) room."

Thompson placed third at the 2005 World Championships (120/264.5 lbs.) in Budapest, Hungary, September 28, 2005. He is an active member of the USA wrestling Freestyle National Team.

After waiting nearly six hours after his first-round loss, Thompson won three straight matches in his first trip to the World Championships to claim his first World medal. He capped his medal-winning performance with a 1-0, 1-0 win over past 1997 World champion Kuramagomed Kuramagomedov of Russia.

"Tolly has been a winner at all levels. He had a great college career and now he’s having a great international career," Penrith said. "The guys get to see him train spring and see what he goes through. He helps them to understand what it takes to be that kind of competitor. We have a ton of guys in our wrestling room who want to be world and Olympic champions; they want to compete at that level."

Along with taking a bronze at the 2005 World Cup, Thompson placed second at the Cerro Pelado International and was the 2005 Dave Schultz Memorial International Champion. In U.S. competition, he was the 2005 Nationals champion and the U.S. World Team Trials Champion.

In March 2004, Thompson placed fourth at the Acropolis Tournament in Athens, Greece in the 120kd/264.5 pound weight. That April, Thompson continued his run for an Olympic bid at the U.S. National Championships in Las Vegas. He was able to put together a top finish to qualify for the 2004 Olympic Trials in Indianapolis.

At the trials, Thompson rolled through competition to win the mini-tournament which placed him in the title bout for an automatic Olympic bid. In a best of three series, Thompson was defeated by Kerry McCoy 5-3 and 8-0, finishing his 2004 Olympic run with a second place finish.

In 2003, he placed second at the U.S. Open and World Team Trials. Thompson also was the 2002 Sunkist International Opon champion as well as the New York Athletic Club champion. His hope of qualifying for the 2000 Summer Olympics ended at the team trials in Dallas, where he was defeated in the semifinal round by world and national champion Stephen Neal of Bakersfield, Calif.

He compiled a career record of 157-21 from 1993 to 1997 as a Husker. His 157 wins once placed him on the NCAA’s all-time wins list. During his collegiate career, he was Nebraska’s sixth national champion as a sophomore, in 1995, by defeating UNI’s Justin Greenlee. He finished third at the 1996 championships and took third place and won the Gorriarian Award for the most falls in the least time at the 1997 championships. A three-time Big Eight Big 12 champion, Thompson was a three-time NWCA All-Star.

A graduate of the University of Nebraska, he and his wife, Tracy, have three daughters, Payton (9), Bree (6) and Kendall (2).

ED EWOLDT SCHOLARSHIP

In January of 1992, UNI officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University's athletics program.

The scholarship was made possible by a $120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program has awarded a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (Iowa) High School from 1955-58 and Wheaton (Ill.) Central High School, where he coached Magruder, from 1959-88.

“Ed has had a tremendous impact on my life,” Magruder said, “and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend.”

The recipients of the Ed Ewoldt Scholarship for the 2007-08 season are Danny Dunning and Moza Fay.
